The Governor appoints one until the first Monday in May, 1927, and thereafter for a term of four years from the first Monday in May.

The Bank Commissioner under the law has general supervision over all banking institutions in the State (other than National Banks). He is required to visit and examine, either in person or by deputy, each institution at least twice a year, and at such other times as he may deem expedient; and at any time upon the request of the directors of the institution. Whenever the capital stock of an institution is reduced by impairment, and such impairment is not made good as prescribed by the law, or whenever it is found that an institution is being conducted in an unsafe manner, the Bank Commissioner may take possession, as provided by law, and retain possession until it resumes business or is finally liquidated.

In case of the failure of such an institution the Bank Commissioner acts as receiver, and liquidates its assets and winds up its affairs under the jurisdiction of the Court.

Every bank and trust company is required to submit to the Bank Commissioner, under oath at least three reports in each calendar year; such reports to exhibit in detail the resources and liabilities of the institution, and show its true condition. These reports are to be published in the local newspapers. All mutual savings institutions are required to report their condition to the Bank Commissioner on June 30th and December 31st of each year.

It is the duty of the Bank Commissioner to examine and audit each report received from the institutions under his supervision, and when necessary, to verify them, at the same time to correct any irregularities that may be disclosed or make any recommendations that may seem advisable.

It is part of the duty of the Bank Commissioner to supervise the formation of new banking institutions; to see that all requirements of the law have been complied with, and to issue his certificate authorizing them to commence business.

It is the further duty of the Bank Commissioner to pass upon all amendments to charters, and all consolidations and voluntary liquidations. On the tenth of February in each year the Bank Commissioner is required to make a report to the Governor, covering the operations of his office.

The 1918 session of the General Assembly passed what is known as the Uniform Small Loan Law. This provides that all persons, partnerships or corporations engaged in the business of making loans in the amount of \$300 or less and who charge a greater rate of interest than six per cent., shall obtain a license from the Bank Commissioner. This act further provides for the regulation and supervision of such concerns by the Bank Commissioner.

During the fiscal year ending February 1st, 1927, the Bank Commissioner made 364 examinations of the State Banks, Trust Companies and Savings Institutions, in addition to the inspection of the small loan brokers.

STATE TAX COMMISSION.

Chief Clerk:

The State Tax Commission was created by the General Assembly of 1914, Chapter 841.

The Act creating the Commission designated the personnel of the first Board, which was composed of Arthur P. Gorman, Jr., as Chairman, Lewin W. Wickes, and Oscar Leser, who was the minority member. As the terms of the several Commissioners expire the Governor appoints a successor for a term of five years from the date of appointment. No more than two Commissioners can be of the same political faith.

The Commission elects a Secretary and appoints such employees as may be necessary.

An appeal lies directly to the State Tax Commission from all assessments entered by the County Commissioners of the several counties or by the Appeal Tax Court of Baltimore City, and the determination by the Commission as regards the assessment of property is final, as an appeal from a decision by the Commission exists only on questions of law.

In August, 1916, the Commission ordered a re-assessment of real estate of the several counties of the State of Maryland. The legality of this order was attacked but the Commission's authority was affirmed by the Court of Appeals of Maryland in the case of *State Tax Commission versus Lowenstein*, 129 Md., 244. Subsequently in December, 1917, the Commission ordered a general re-assessment of personal property, tangible and intangible, owned or held by residents of the twenty-three counties of Maryland.

Besides the right to bring about general equalization, the Commission has the power to establish forms of schedules, notices, etc., and also of assessment and collection books; to establish a uniform system of accounts; to require that all property in the State be reviewed for re-assessment at least once in every five years; to confer with State officials of this State and taxing authorities of other States in order to bring about a uniform system of taxation and to provide for a system of inspection of licenses.

The Commission has devised a method of assessing business corporations in accordance with the Act passed at the session of 1914, on their tangible assets instead of on their share valuation.

Under the Act of 1924, the duty of assessing rolling stock of steam railroads was placed upon the Commission. The initial assessment made by the Commission was for the year 1925, and the assessment placed was approximately \$11,500,000, or an increase of \$4,000,000 over the assessment for the year 1924 as made by the various Boards of County Commissioners and the Appeal Tax Court of Baltimore City.

It appoints a Supervisor of Assessments for each county of the State from a list of five residents of each county, nominated by the respective Boards of County Commissioners. The salaries of the supervisors are paid by the County Commissioners and are based upon the value of the assessable property under the jurisdiction of the respective supervisors. It is the function of the supervisors to advise the Commission of assessments as compared with valuation, to report all sales of property and to perform such other duties as may be assigned to them by the Commission.

The following is a list of the supervisors:

The head of the Department of Education is the State Board of Education.

In accordance with Chapter 506 of the Acts of 1916, the members of the State Board of Education are appointed by the Governor. One member is appointed annually for a term of seven years from the first Monday in May next succeeding the appointment. Neither the Governor nor the State Superintendent of Schools is a member of this Board, as was the case before 1916.

The State Board of Education selects a State Superintendent of Schools, and through him and his assistants, has general control of the Public School System of the State. The Board is a legislative body, and, as such, enacts by-laws and prescribes rules and regulations for carrying into effect the provisions of the school laws. These by-laws and rules include regulations for the construction of school buildings, for grading and standardizing all public schools, for the certification of public school teachers, for taking the bi-ennial school census, and for a uniform series of forms and blanks for the use of county superintendents, school officials and teachers.

The State Superintendent of Schools is the executive officer of the Board. The members of the State Board of Education and the State Superintendent of Schools are ex-officio trustees of the State Normal Schools.

State Superintendent of Schools.

The present position was created by the General Assembly of 1900, the principal of the Maryland State Normal School before that time (1872-1900) being ex-officio State Superintendent. The State Superintendent of Schools is appointed by the State Board of Education for a term of four years and is ex-officio secretary and treasurer of the Board.

He is the executive officer of the State Board of Education, which, in addition to having general control of the State School System, is charged with the duties of interpreting school laws and acting with-

out expense to the parties concerned in all controversies and disputes involving the proper administration of the public school system. He carries out the educational policies of the State Board of Education. He conducts conferences of school officials and teachers, issues teachers' certificates, passes upon proposals for the sale of school sites and buildings, and the plans for the construction of new buildings. He directs the taking of the bi-ennial school census, prepares courses of study and an annual report. He also issues bulletins from time to time on the conditions and needs of the schools.

Either in person, or through his assistants, he has general supervision over the education affairs of the counties, co-operates with county school officials in welding together school interests in a State system. He certifies to the Comptroller each year a list of schools entitled to receive State aid, and the amount due each county in part payment by the State of the salaries of superintendents, supervisors and attendance officers. He audits the accounts of the county boards of education and sees that their expenditures conform to the law. His approval is necessary in the appointment of county superintendents, supervisors, and attendance officers by the County Boards of Education. The State Superintendent is a member ex-officio of the Board of Trustees of the State Teachers' Retirement System, and also performs the duties formerly entrusted to the Maryland Public Library Commission, giving advice and counsel to all public and school libraries and organizing traveling libraries.

All communications pertaining to the supervision and administration of the State School System (Baltimore City not included) should be sent to him either as State Superintendent of Schools, or as secretary to the State Board of Education.

Work of the State Department of Education.

The twenty-three counties of the State in 1926-27 enrolled in school 157,000 pupils in nearly 2,200 schools in charge of over 4,700 teachers. Nearly 20,000 of these pupils were in the 171 high schools distributed in the twenty-three counties of the State. In the same year the counties expended on schools approximately \$7,517,000 for current expenses and \$1,023,000 for capital outlay. Of the former amount, nearly \$2,330,000, or 30.9 per cent, was received by the twenty-three counties from the State of Maryland and the federal vocational fund. Baltimore City received nearly \$2,000,000 from the State school funds.

White high school enrollment and attendance in the counties increased last year seven and eight per cent, respectively, necessitating sixty-two additions to the teaching staff. The larger amount of State aid provided annually merely takes care of this necessary and normal increase required by greater enrollment.

There were 9,306 graduates from county white elementary schools, and 2,887 from county white high schools in 1927. Of the white girl graduates from county high schools, 17.1 per cent entered the Towson, Frostburg, and Salisbury Normal Schools. These normal schools had an enrollment for 1926-27 of over 1,000 students. This enrollment includes 268 from Baltimore City, since the State Normal School at Towson has taken over the work of teacher training for the elementary schools of Baltimore City.

Over one-half of the high school graduates of 1926 continued their education beyond high school in colleges, universities, normal schools, hospitals, commercial schools, etc.

Towson, Frostburg, and Salisbury Normal Schools gave diplomas in 1927 to 516 young men and women, of whom 139 were from Baltimore City. Of the county normal school graduates, 65.5 per cent went out to teach in one and two-teacher schools in the fall of 1927. Nearly two-thirds of the county graduates returned to teach in their home

counties. In October, 1927, 86 per cent of the white elementary teachers held first grade certificates, 10 per cent second grade certificates, and only 4 per cent third grade certificates. In 1920 one-third of the teachers held first grade certificates, one-third second grade certificates, and one-third held third grade certificates. In the financially poorer counties, which can not carry the minimum requirements of the State program on the county school tax rate of 67 cents, the State provides the additional amount necessary through an Equalization Fund. This fund will grow until all county teaching positions are filled by professionally trained men and women.

During the school year ending in June, 1927, there was at least one supervising or helping teacher in every county in Maryland. This is the fifth year that this satisfactory situation has existed. The State pays two-thirds of the salaries of the county supervising and helping teachers and of county superintendents. The improvement in the results of the tests in reading and arithmetic is one evidence of effective supervision.

Supervision or improving instruction is accomplishing the following results in the elementary schools:

1. There is organization of what to teach and when it should be taught where formerly there was chaos. The goals in the various subjects published by the State Department of Education after criticism of supervisors and teachers are helping in course of study making.
2. Higher standards of teaching have been set up and maintained in place of the low standards which formerly prevailed. Demonstration lessons by supervisors and by superior teachers in teachers' meetings are one means of accomplishing this.
3. Definite standards for the progress of children are held up and reached where formerly there was no guide. (See 1.)
4. The gradual elimination of the excessive number of over-age pupils is being brought about since the advent of supervision. Age grade studies and analysis of the results of tests are helping to bring better classification of pupils.
5. Physical conditions in the schools are much improved by reason of the supervisor's insistence. Standards for elementary schools have been set up and more and more schools are meeting them.
6. Teachers, from poorly prepared beginners to those of experience and superior merit, are benefited by supervisory assistance.
7. Supervision is breaking down the isolation of the teacher in rural schools and is utilizing all the strength of all the teachers for the benefit of each one of them.
8. Better understanding on the part of the public of what the schools are trying to accomplish has been brought about.

In the fall of 1927 there were fifty-one supervising or helping teachers employed for the 3,037 white elementary teachers scattered over the 9,859 square miles in the counties, an average of 59 teachers for each supervising or helping teacher. The large progressive school systems of Cleveland and Detroit have a supervising principal for each group of twenty-five professionally trained teachers, localized in a single building. In Connecticut, each supervisory agent has from 30 to 40 teachers under his supervision.

The average current expense cost in 1927 of educating a pupil in the schools of the twenty-three counties was \$52. Graded schools having three or more teachers with better trained teachers, more equip-

ment, and expenditures for transportation cost less per pupil than rural schools having one or two teachers chiefly because the classes were larger. Transportation was provided at public expense for 13,385 pupils at a cost of \$373,170.

Nearly three-fourths of the white schools, 45 per cent of the white elementary, and two-thirds of the colored schools in the counties reported that they had parent-teacher associations organized in 1927.

The index number for judging educational efficiency based on five items which evaluate attendance and five which indicate public interest as proved by financial support of schools, continues to show improvement for Maryland. For 1927 it registers 79.1 points in the entire State and 68.0 in the twenty-three counties, including both white and colored schools. In 1918 the index number for Maryland was 43.2 points. The goal is 100. For 1924 Maryland ranked twenty-sixth among the States in index number.

Maryland probably can never expect to rank first among the States in its educational index number, because half of the items included in computing it are based on the financial resources of the State. According to a bulletin recently issued by the National Education Association, Maryland ranks nineteenth among the States in index of economic resources per child. According to the 1924 report of the United States Bureau of Education, Maryland ranks thirty-second among the States in the amount spent in maintaining a pupil in school for one year. In financial items, Maryland can never hope to stand far above its rank in wealth, but in school administration, supervision, instruction, and interest of patrons in the schools, Maryland should rank among the first States in the Union.

The Governor, with the consent of the Senate, appoints nine Regents for a term of nine years from the first Monday in June.

The first appointments were made in 1920 for terms of 1, 2, 3, 4, 5, 6, 7, 8 and 9 years, and as these terms expire a successor is appointed for a full term of nine years. (Ch. 372, 1916.)

This Board of Regents displaces the old Board of Trustees of the Maryland State College.

Under Chapter 480, Acts 1920, the old University of Maryland was, on July 1, 1920, consolidated with the Maryland State College, under the former name.

THE UNIVERSITY OF MARYLAND.

The Land Grant Departments of the University of Maryland are located at College Park in Prince George's County, on the line of the Washington Branch of the Baltimore and Ohio Railroad, eight miles from Washington and thirty-two miles from Baltimore. The grounds front on the Baltimore and Washington Boulevard. The Schools of Medicine, Pharmacy, Dentistry, Law and Nursing of the University are located in Baltimore at the corner of Lombard and Greene Streets.

Administration.

The government of the University is vested by law primarily in the Board of Regents, consisting of nine members appointed by the Governor for terms of nine years.

The administration of the University is vested in the President. The University Council, composed of the President, the assistant to the President, the Director of the Agricultural Experiment Station, and the Director of the Agricultural and Home Economics Extension Service, and the Deans, acts as an advisory board to the President on all phases of University work. The faculty of each college or school constitutes a faculty council, which passes on all questions that have exclusive relationship to the unit represented.

The University is organized into the following units:

- College of Agriculture.
- College of Engineering.
- College of Arts and Sciences.
- School of Medicine.
- School of Law.
- School of Dentistry.
- School of Pharmacy.
- School of Nursing.
- College of Education.
- College of Home Economics.
- The Graduate School
- The Summer School.
- Department of Military Science and Tactics.
- Department of Physical Education and Recreation.
- The Agricultural and Home Economics Extension Service.
- The Agricultural Experiment Station.

The College of Agriculture includes the following departments: Agricultural Economics; Agronomy (including Crops and Soils); Animal Husbandry; Bacteriology; Botany, Dairy Husbandry; Entomology and Bee Culture; Farm Forestry; Farm Management; Farm Mechanics; Genetics and Statistics; Horticulture (including Pomology; Vegetable Gardening, Landscape Gardening and Floriculture); Plant Pathology; Plant Physiology and Bio-chemistry; Poultry Husbandry; Veterinary Medicine.

The instructional work of the College of Education is conducted by five functional divisions or departments: History and Principles of Education; Methods in Academic and Scientific Subjects, Agricultural Education, Home Economics Education, and Industrial Education.

The College of Engineering includes the Departments of Civil, Electrical, and Mechanical Engineering.

Graduate work is offered, under the supervision of the Dean of the Graduate School, by competent members of the various faculties of instruction and research.

The College of Home Economics is organized into the Department of Foods and Nutrition, Textiles and Clothing, and Home and Institutional Management.

The College of Arts and Science holds under its administrative control eleven university departments: Classical Languages, Chemistry, Economics and Sociology, English, History and Political Science, Mathematics, Modern Languages, Philosophy and Ethics, Physics, Public Speaking, and Zoology and Agriculture.

The Department of Military Science and Tactics has charge of the work of the Reserve Officers' Training Corps unit established by the War Department. During the first two years of the student's stay at the University he is required to take the Basic R. O. T. C. courses.

During his junior and senior years he may elect three credit hours in Reserve Officers' Training Corps each term.

The Department of Physical Education and Recreation works in co-operation with the military department and supervises all physical training, general recreation, and intercollegiate athletics.

A summer session of six weeks is conducted at College Park. The program is designed to serve the needs of three classes of students; teachers and supervisors of the several classes of school work—elementary, secondary, and vocational; special students, as farmers, breeders, dairymen, homemakers, chemists, public speakers, graduate students; and students who are candidates for degrees in agriculture, arts and sciences, education, engineering, and home economics.

The work in Medicine, Pharmacy, Law, Dentistry and Nursing is given in schools in Baltimore. The University Hospital is also located in that city.

History.

The history of the present University of Maryland combines the histories of two institutions. It begins with the chartering of the College of Medicine of Maryland in Baltimore in 1807, which graduated its first class in 1810. In 1812 the institution was empowered to annex other departments and was by the same act "constituted an University by the name and under the title of the University of Maryland."

The Medical School building in Baltimore, located at Lombard and Greene Streets, erected in 1814-1815, is the oldest structure in America devoted to medical teaching.

For more than a century the University of Maryland stood almost as organized in 1812, until an Act of the Legislature of 1920 merged it with the Maryland State College and changed the name of the Maryland State College to the University of Maryland. All the property formerly held by the old University of Maryland was turned over to the Board of Trustees of the Maryland State College, and made the Board of Trustees the Board of Regents of the new university.

The Maryland State College first was chartered in 1856 under the name of the Maryland Agricultural College, the second agricultural college in the Western Hemisphere. For three years the college was under private management. In 1862 the Congress of the United States, recognizing the practical value and increasing need of such colleges, passed the Land Grant Act. This Act granted each State and Territory that should claim its benefits a proportionate amount of unclaimed Western lands, in place of scrip, the proceeds from the sale of which should apply under certain conditions to the "endowment, support and maintenance of at least one college of which the leading object shall be, without excluding other scientific and classical studies, and including military tactics, to each such branches of learning as are related to agriculture and the mechanic arts, in such manner as the Legislatures of the State may respectively prescribe, in order to promote the liberal and practical education of the industrial classes in the several pursuits and professions of life." This grant was accepted by the General Assembly of Maryland. The Maryland Agricultural College was named as the beneficiary of the grant. Thus the College became, at least in part, a State institution. In the fall of

1914 its control was taken over entirely by the State. In 1916 the General Assembly granted a new charter to the College and made it the Maryland State College.

Under the new charter, which made the State College a university, the institution is co-educational. Every power is granted necessary to develop an institution of higher learning and research. This is in full accord with the Morrill Act of the National Congress and the subsequent acts above referred to. The charter provides that it shall receive and administer all grants from the national government.

Extension and Research.

Agriculture and Home Economics.

The agricultural and home economics extension service of the University, in co-operation with the United States Department of Agriculture, carries to the people of the State through practical demonstrations conducted by specialists of the College of Agriculture and county agents, the results of investigations in the fields of Agriculture and Home Economics. The organization consists of the administrative forces, including the director, assistant director, specialists and clerical forces, including county agricultural demonstration agents, and the home demonstration agents in each county and in the chief cities of the State. The county agents and the specialists jointly carry on practical demonstrations under the several projects in the production of crops or in home-making, with the view of putting into practice on the farms of the State improved methods of Agriculture and Home Economics that have stood the test of investigation, experimentation, and experience. Movable schools are held in the several counties. At such schools the specialists discuss phases of Agriculture and Home Economics in which the people of the respective counties are specially interested.

The work of the Boys' Agricultural Clubs is of special importance from an educational point of view. The specialists in charge of these projects, in co-operation with the county agricultural agents and the county school officers and teachers, organize the boys of the several communities of the county into agricultural clubs for the purpose of teaching them by actual practice the principles underlying agriculture.

The Home Economics specialists and agents organize the girls into clubs for the purpose of instructing them in the principles underlying canning, drying, preserving of fruits and vegetables, cooking, dress-making and other forms of Home Economics work.

Educational value of demonstrations, farmers' meetings, movable schools, clubs, and community exhibits show is incalculable. They serve to carry the institution to the farmer and to the home-maker.

General Extension.

This phase of the extension service of the University is conducted in co-operation with the United States Bureau of Education and is intended to make the Liberal Arts and branches of the curriculum, other than Agriculture and Home Economics, of greater service to the people of the State.

Agricultural Experiment Station.

Vitally associated with the extension service is the experimental work in agriculture.

In 1847 an act was passed making provision for a State Laboratory, in which the application of chemistry to agriculture was to be undertaken. In 1858 experimentation was undertaken on the College farm. After two or three years this work was interrupted by the general financial distress of the time and by the Civil War. In 1888, under the provisions of the Hatch Act of the preceding year, the Agricultural Experiment Station was established.

This act states the object and purpose of the experiment station as follows:

"That it shall be the object and duty of said Experiment Stations to conduct original researches or verify experiments on the physiology of plants and animals; the diseases to which they are severally subject, with the remedies for the same; the chemical composition of useful plants at their different stages of growth; the comparative advantages of rotative cropping as pursued under a varying series of crops; the capacity of new plants or trees for acclimation; the annalysis of soils and water; the chemical composition of manures, natural or artificial, with experiments designed to test their comparative effects on crops of different kinds; the adaptation and value of grasses and forage plants; the composition and digestibility of the different kinds of food for domestic animals; the scientific and economic questions involved in the production of butter and cheese; and such other researches or experiments bearing directly on the agricultural industry of the United States as may in each case be deemed advisable having due regard to the varying conditions and needs of the respective States or Territories."

The placing of agricultural demonstrations and extension work on a national basis has been the direct outgrowth of the work of the experiment station.

The students of the University, taking courses in the College of Agriculture, are kept in close touch with the investigations in progress.

The Eastern Branch.

The Eastern Branch of the University of Maryland is located at Princess Anne, Somerset county. It is maintained for the education of negroes in agriculture and mechanic arts.

STATE HORTICULTURAL DEPARTMENT

College Park, Md.

The State Horticultural Law was enacted by the 1898 Session of the Maryland Legislature (Laws of Maryland, 1898, Chapter 289). The law creates the offices of the State Entomologist, State Pathologist and State Horticulturist. The following articles under Section No. 1 of said Act will explain briefly the duties of the officers and the scope of the work of the Department:

That a State Horticultural Department be established for the State of Maryland; that its purpose is to suppress and eradicate the San Jose Scale, peach-yellow, pear-blight and other injuriously dangerous insect pests and plant diseases throughout the State of Maryland.

That the Professor of Entomology, the Professor of Vegetable Pathology, and the Professor of Horticulture of the University of Maryland and Experiment Station shall be the State Entomologist, State Pathologist and State Horticulturist, respectively.

That the said Horticultural Department shall be under the control of the Board of Regents of the University of Maryland and Experiment Station, to whom the officers created under this Act shall be responsible.

That it shall be the duty of said State Entomologist and State Pathologist, their assistants and employees, under the control of Regents of said University to seek out and suppress all pernicious insect pests and contagious diseases hereinbefore mentioned as destructive to horticultural interests of the State, and conduct experiments when necessary to accomplish that end.

The State Entomologist and State Pathologist are also required to inspect all tree and plant nurseries in the State and issue certificates of inspection to permit the distribution of such nursery stock.

All matters pertaining to orchard and nursery inspection as well as cases of infestation or infection by injurious insects or plant diseases attacking any crop in the State is taken care of so far as means will permit by the members of this Department.

The State Entomologist has been designated the Inspector of Apiaries and directed to conduct such inspection of Apiaries, and such investigations and disseminate such information as may seem best to promote the beekeeping industry in Maryland.

The officers of the Department are as follows:

STATE DEPARTMENT OF FORESTRY.

Advisory Board of Forestry, 1411 Fidelity Building.

Ex-Officio Members:

President J. H. U., Frank J. Goodnow.....Baltimore
Edward B. Mathews, State Geologist.....Baltimore

Appointed by the Governor (terms expire 1929):

Robert Garrett.....Baltimore
Norman James.....Catonsville
George L. Wood.....Baltimore

State Forester:

F. W. Besley.....Baltimore

The Governor appoints three members, two of whom shall be interested in the advancement of forestry and one a practical lumberman, who, with the President of Johns Hopkins University and the State Geologist shall constitute the Board.

The terms of those first appointed are until the first Monday in May, 1924, and thereafter for two years from the first Monday in May. Ch. 29, 1922.

The Department of Forestry was created and organized to protect and develop the valuable timber and tree products of the State, and to carry on a campaign of education and to instruct counties, towns, corporations and individuals as to the advantages and necessity of protecting from fire and other enemies the timber lands of the State. While the power of the Forest Department rests with the Regents of the University, acting through the Advisory Board, the detail work is in the hands and under the management of the State Forester, who is secretary of the Board, and all correspondence and inquiries should be addressed to him at 1411 Fidelity Building, Baltimore.

Scientific Staff:

F. W. Besley, State Forester.....Baltimore
Karl E. Pfeiffer, Assistant State Forester.....Baltimore
John R. Curry, Assistant Forester.....Baltimore
Fred B. Trenk, Assistant Forester.....College Park

The State Forester has studied the timber interests of each of the twenty-three counties in detail and the statistics and information collected are published for free distribution, accompanied by a valuable timber map to all who may apply. He will co-operate with counties, towns, corporations and individuals, in preparing plans for the protection, management and replacement of trees, woodlots and timber tracts under an agreement that the party obtaining such assistance pay at least the field expenses of the men employed. An important

work of the Forester is to use means to prevent and to extinguish forest fires which are liable to destroy annually thousands of dollars' worth of young timber. For this purpose there is a well established system of lookout stations. About 300 men are distributed throughout the State, who are constantly upon the watch to discover and extinguish fires; giving particular attention during the danger seasons in spring and fall. The laws against setting out fires are very strict. The State and county divide the expense of extinguishing fires.

The Department also administers six state forests, comprising about 5,000 acres in four different counties. The main purpose of these forests is for timber growing and watershed protection, but they also serve as a recreation ground for the people of the State, being visited every year by thousands for camping and other forms of recreation.

The Roadside Tree Law directs the Department of Forestry to care for those trees growing within the right-of-way of any public highway in the State, and no tree can be cut or trimmed by a corporation or individual without a permit from a Forest Warden, after application to the State Forester. The same Act makes it illegal to post commercial advertising signs on trees, or along highways, and citizens are empowered and Forest Wardens directed to remove them.

A State forest nursery, established in 1914, furnishes trees at cost for forest planting and for planting along roadsides.

Article 65, Code of Public General Laws of Maryland, provides that the Ranking Line Officer shall be in control of the military department of the State, and subordinate only to the Governor in matters pertaining to that department. He performs such duties as pertain to his office, and the other chiefs of staff departments and corps under the regulations and customs of the United States Army. He superintends the preparation and publication of all official forms required for use in the military service of the State; the reports and returns required by the United States; keeps a register of all commissioned officers and the record of enlisted men. WAR RECORDS OF MARYLAND SOLDIERS AND SAILORS

This department is co-operating with the War Records Commission in assisting the Commission to make their records complete for publication by the official service records of the men from Maryland in the World War as furnished the War and Navy Departments and the U. S. Marine Corps, and from such other authentic sources that are available to this Department.

Numerous requests are received for the service records of men who served in the Revolutionary War, the War of 1812, the Mexican War, the Civil War, Spanish-American War and the World War. Every request is complied with, without charge, if the record is available in the Department, and when not available the applicant is advised of the best authentic source to seek the same. Only in respect to the records pertaining to the Revolutionary, War of 1812, and Mexican Wars are our records rather incomplete and the incompleteness is solely due to the methods used in those days of making and preserving records.

CONTROL OF STATE ARMORIES.

By Act of the General Assembly of 1922 (Art. 65, P. G. L., Md.) the State Armory Commission was abolished and the direct control of all State Armories placed with the ranking line officer of the State, to whom all applications should be made for the use of any armory, provided, however, that when applications are disapproved by the ranking line officer they shall be subject to review and approval of the Board of Public Works, the ranking line officer and the commanding officer of the unit occupying the armory concerned.

MILITIA LAW OF MARYLAND

The National Defense Act required all States to make their military laws conform with the provisions of the Act, in so far as any State law might have been in conflict or might have been deficient as to certain mandatory features of the Act, to entitle any State to participate in the Federal appropriations for arming, equipping and training the National Guard.

Accordingly, Article 65, P. G. L., Md., was repealed and re-enacted by the Legislature at its January (1922) session in which certain provisions of the National Defense Act have been incorporated as the law of the State, thereby conforming to the Act.

It was also found desirable to provide for the functioning of the ranking line officer of the National Guard on active duty pay status and to place this officer in control of the military department of the State. The authority, prerogatives and duties heretofore held and performed by the Adjutant General have, by the present law, been transferred to the ranking line officer who is responsible only to the Governor, acting for and by his direction in all matters pertaining to the Military Department of the State.

SOLDIERS' RELIEF FUND COMMISSION

Chapter 344 of the Acts of the General Assembly of Maryland, Session of 1924, as amended by the Acts of 1927, creates a Soldiers' Relief Fund Commission, with the Adjutant General of the State as Chairman, and two members to be appointed by the Governor. The Governor has appointed as members of this Commission:

Colonel James E. Abbott, Annapolis, representing the American Legion.

Mr. George G. Neumann, representing the Veterans of Foreign Wars.

Approximately \$50,000 per year has been made available by the Maryland Legislature, which is in the nature of an emergency fund to be used to assist Maryland Veterans of all wars, or the widows and in-

fant children of such veterans as are sick, disabled or indigent, and who are without means to pay for said necessities or for proper care, and for the purpose of providing the necessary funeral expenses of such veterans, and for the further purpose of providing reasonable compensation to members of the Maryland National Guard who are injured in line of duty, and in case any such members are killed in line of duty, then to the widows and infant children of such members, such sum as the Board provided above shall deem proper.

THE DEPARTMENT OF PUBLIC WORKS

Garrett Building, Baltimore.

STATE ROADS COMMISSION.

Chairman and Chief Engineer of the Commission and
Director of the Department of Public Works:

John N. Mackall.....Baltimore

Members of the Roads Commission:

R. Bennett Darnall.....Anne Arundel County
W. W. Brown.....Cumberland, Allegany County

Secretary, L. H. Steuart, Garrett Bldg., Baltimore City.

The Commission consists of three appointed by the Governor for no specified term of office. One shall be appointed from that one of the two leading political parties opposite to the Governor's political party.

The Governor designates a Chairman who shall also be the Director of the Department of Public Works. (Ch. 29, 1922.)

This department has charge of the construction and maintenance of all State roads, this term embracing all Post and Lateral Roads constructed either through Federal Aid or with the assistance of County funds.

Funds authorized by the several Legislatures since 1908 (when the Commission was organized) for the construction of roads, approxi-

mates \$35,000,000. The Legislature of 1927 authorized loans in the amount of \$2,125,000 for road construction and \$1,000,000 for the construction of bridges. This Legislature also authorized an increase of two cents in the gas tax; one and a half cents to provide for the construction of Lateral Roads and one-half cent for the elimination of grade crossings. (Acts 1927—Ch. 454, Ch. 47, Ch. 118, and Ch. 327.)

Funds for the maintenance of State highways are provided from the receipts of the Commissioner of Motor Vehicles from license fees, etc. The Legislature of 1922 passed an Act to impose a tax of 2 cents per gallon on gasoline on and after January 1, 1924, in lieu of the present license fees or a part of same imposed on motor vehicles. (Acts 1922, Chapter 522.)

THE COMMISSIONER OF MOTOR VEHICLES

Guilford Avenue and 21st Street, Baltimore.

(Term Expires May, 1929.)

Name.	Postoffice.
Commissioner: E. Austin Baughman.....	Frederick, Md.
Deputy Commissioner: D. Marshall Schroeder.....	Frederick, Md.
Registrar of Titles: William G. Noble.....	Arnold, Md.
Captain of State Police: Harry C. Butler.....	Grantsville

The Commissioner exercises, subject to review by the Courts, entire jurisdiction over titling, registration and licensing of all motor vehicles owned or operating continuously within the State. He has jurisdiction and, subject to review by the Courts, sole authority in the examination, qualifications and licensing of all persons operating motor vehicles continuously within the State. Reciprocity with other States gives to owners and drivers of cars coming into Maryland a period of

grace before they become subject to car registration, car licensing and driver's permit regulations as provided in the Maryland statutes.

All licensing fees, both for titling and registering cars, and registering drivers, as well as all fines for violations of the traffic regulations and motor vehicle statutes, are collected and accounted for by the Commissioner. The judges of the Baltimore City Traffic Court and the police magistrates in the towns and rural sections make return to the Commissioner on all fines collected. No part of the costs of arrests or prosecutions goes to the State officers operating under authority of the Commissioner, where these officers make the arrests.

The system of licensing all pleasure vehicles on a horse-power basis, commercial vehicles and trucks on a tonnage basis, and public service lines, both freight and passenger, on ton-mile or passenger-mile basis, which had obtained for years in arriving at licensing charges, was changed by the Legislature in 1922. Under this new system, a gasoline tax became operative in Maryland on January 1st, 1924. This tax of 2 cents per gallon, is in addition to a reduced horsepower fee and adjustments under the other types of fees.

Administration of the detail of collecting the gasoline tax is vested in the State comptroller, the Motor Vehicles Commissioner retaining, however, his former duties in the issuance, at a nominal cost, covering cost of tags and clerical work, of the licensing and registration of cars. The gasoline tax is imposed as an additional charge upon public service vehicles. Their ton-mile and passenger-mile ratings and charges will continue to be computed and enforced by the Commissioner.

All fine and fee income collected by the Commissioner, above the costs of administration of his office and field forces, goes into the State Highway Maintenance fund of the State, thus putting back into the highways built by other means by the State what the motorist is assumed to have taken out in depreciation of surface and base.

In addition to the headquarters supervision of titling all motor vehicles purchased new or changing ownership in the State, and registering and licensing the automobiles, and registering and licensing all drivers of motor vehicles, there operates under the Commissioner's appointment and jurisdiction a corps of motor vehicle enforcement officers. This force of approximately 35 uniformed motorcycle-mounted officers operates largely over the rural highways and in the smaller towns, but has full jurisdiction within Baltimore City. Created originally as an exclusively motor vehicle regulator force, the State officers are now, through arrangements whereby the County Sheriffs vest them with authority as deputies, given jurisdiction under the State Criminal Code. They thereby have the power of arrest in all criminal cases. The Commissioner's field force includes, too, a plain-clothes investigation department, operating in the case of accidents, thefts and similar violations. He also has the appointment of civilian deputies.

While trials, with either dismissals or convictions, carrying fines or jail sentences before magistrates furnish a part of the machinery of the enforcement of the motor vehicle statutes, control of all drivers' permits to operate cars or motorcycles is vested solely in the Commissioner. He not only controls issuance of licenses and can refuse to permit an unfit applicant to operate a car in the State, but in addition he holds the power of suspension for a stated period or the absolute revocation of a driver's permit. This without regard to the action of the Courts in cases tried before them.

Appeal to the Courts from the action of the Commissioner, in suspending, refusing or revoking licenses, is provided in the law, however.

The Public Service Commission of Maryland was created by Chapter 180 of the Acts of 1910, effective April 5, 1910.

The Governor appoints the three members of the Commission, one of whom he designates as Chairman. The term of office is six years, and the term of one Commissioner expires every two years.

The Commission has jurisdiction over steam and electric railroads, street railways, common carriers generally, including all railroad corporations, express companies, sleeping car companies, steamboat, power boat and ferry companies, and also motor vehicles engaged in the public transportation of passengers and freight. The Commission also has jurisdiction over gas companies, electric companies, telephone companies, telegraph companies, water companies and heating and refrigerating companies. The jurisdiction of the Commission is limited to operations within the State of Maryland.

By Chapter 272 of the Acts of 1916, jurisdiction was conferred over toll bridges erected over any stream or river dividing two counties in the State or between Maryland and another State.

The supervision and jurisdiction of the Commission covers the service furnished, the rates charged, the capitalization, the issue of stocks, bonds, and other securities, the right to exercise franchise granted by the counties and by the cities, the right to fix rates for service and to fix standards for service, and general supervisory and regulatory powers over the utilities subject to its jurisdiction. In the exercise of this supervision and jurisdiction, it is the purpose of the Commission to insure and maintain to the public safe and adequate service, at just and reasonable rates, without unjust discrimination.

The Commission is given power to investigate and ascertain the fair value of the property of corporations subject to its jurisdiction.

An annual report showing the financial conditions and operations of each utility under its jurisdiction is required to be filed with the Commission. Tables showing the results of the operations of the utilities are compiled and included in the Commission's annual report, which report also contains all opinions and final orders entered by the Commission during the year covered thereby.

By legislation enacted subsequent to the original Act, the Commission has been given power to fix minimum as well as maximum rates, to suspend schedules of rates pending the determination of the reasonableness of the rates proposed, and utilities are forbidden to abandon or discontinue the exercise of franchises without the permission and approval of the Commission.

The Commission has also been authorized to make joint investigations, hold joint hearings, and issue joint or concurrent orders in conjunction or concurrence with any official board or commission of any State or of the United States, under agreements or compacts between States or under the concurrent power of States to regulate interstate commerce, or as an agency of the Federal Government, or otherwise.

The Commission is required by law to test all electric meters and gas meters before installation, and to test meters upon request of the consumer.

The Commission maintains a laboratory in which daily tests are made of the gas furnished in the City of Baltimore, and its inspectors also make regular and frequent tests of the gas and electricity furnished in other parts of the State.

The proceedings before the Commission frequently require hearings, and all such hearings are public and are reported by a stenographer, and a permanent record thereof is kept.

In the case of *ex parte* applications of utilities for permission to exercise franchises, to issue securities or otherwise invoking the jurisdiction of the Commission, the applicant is required to advertise, at its own expense, giving notice of the hearing to be had, so that the public interested may be advised thereof and given the opportunity to be heard with respect thereto.

One of the most important amendments to the original Act is that providing for representation by counsel of the interests of the public in all proceedings before the Commission. The Act now provides for the appointment by the Governor of an experienced and qualified lawyer as People's Counsel, and it is the duty of this official to represent the interests of complainants and of the public generally in proceedings before the Commission.

Chapter 201 of the Acts of 1927 provides for the re-establishment of the office of General Counsel to the Commission, the appointment to be made by the Governor for a term of six years.

Governor appoints three, not more than two of whom shall be of the same political faith, one for 6 years, one for 4 years, and one for 2 years, and as these terms expire the successor is appointed for 6 years. The Governor designates the chairman. (Ch. 800, 1914.)

The State Industrial Accident Commission is charged with the duty of administering the Workmen's Compensation Law. The law provides,

first, for the payment of compensation to employees injured in certain extra-hazardous employments, and to their dependents in case of death; second, that all employers in such occupations shall secure the payment of such compensation by insuring their liability in a stock company, or the State Accident Fund, or by proving to the satisfaction of the Commission their financial ability to pay the compensation.

The business of the Commission is to administer the Workmen's Compensation Act and involves determining what occupations are included, receiving reports of accidents, receiving, investigating and adjudicating claims arising under the Act. Hearings are held in contested cases. In addition to these duties, the Commission administers the State Accident Fund, which is provided by the Act as one of the methods by which employers must insure.

During the year ending October 31, 1927, there was a total of 45,927 industrial accidents reported to the Commission. This was an increase of 4,311 cases over the number reported in the preceding year. Out of this number there were 15,322 claims filed for compensation, of which 189 were claims in fatal accidents, as against 15,499 claims filed during the year ending October 31, 1926, 162 of which were claims in fatal cases. As a result of last year's work, there was paid out to injured employees and their dependents the sum of \$1,516,593.20, which included the payment of compensation, funeral and medical expenses, etc. In addition to the amount herein mentioned, there was \$339,000.33 paid for medical expenses in cases where there was no claim for compensation.

When the General Assembly of Maryland in 1914 passed the Workmen's Compensation Act, they recognized the fact that employers might be put in the position where they would not be able to comply with the Act due to the fact that the private insurance companies would refuse to carry their risk. Furthermore, they felt that inasmuch as this form of insurance was compulsory under the State Law, that they should provide a place where the insurance could be secured at practically the cost of writing this form of insurance. They, therefore, created the State Accident Fund to be administered by the State Industrial Accident Commission.

This Fund started business on November 1, 1914, the day the Law went into effect. Its beginning was small and the money available at that time consisted of premiums paid into the Fund by those insured with it, which premiums were based on an advance estimate of the payrolls of the insuring employers for a period of four months. The State Industrial Accident Commission transferred from the funds allotted to it by the State of Maryland the amount of \$15,000.00 for the purpose of maintaining the solvency of the Fund. A few years later this amount was returned to the State of Maryland.

During the first few years of the Fund's operations the principal business carried on its books was coal mining operations, and the Fund during these first few years was a comparatively small writer of compensation insurance, the large bulk of the business having been secured by the private insurance companies operating in the State. This condition gradually changed from year to year, and, while the Fund still carries the risks of most of the coal operators in the State, there has been a gradual transferring of the risks of other industries to the Fund of a very desirable character, and at the close of the last fiscal year, October 31, 1927, the State Accident Fund had become the largest writer of compensation insurance, from a point of premiums written, in Maryland.

During the operation of the Fund a net surplus for the protection of the policyholders amounting to \$470,000.00 has been accumulated, and as this surplus is in addition to adequate reserves which have been set up to carry all unpaid or undetermined claims to completion, it leaves the Fund in a strong financial condition.

In carrying out the idea of the General Assembly when it created the State Accident Fund—that the Fund should endeavor to write business at cost and also to keep this cost as low as possible—it would appear this purpose has been accomplished. The average expense ratio of the private companies carrying this form of insurance is from 35 per cent to 40 per cent of the premiums written, while the expense ratio covering all operations of the Fund has always been materially lower than this, and for the last fiscal year was 8.8/10 per cent of the premiums written. During that year the interest earned on the investments of the Fund practically paid the entire operating cost of the Fund.

Effective March 1, 1926, the Commission inaugurated a new merit-rating system, the purpose of which is to reward and stimulate the policyholders of the Fund in their work of accident prevention and to measure the rate more closely to the individual hazard of the policyholder, preserving to the policyholder, of course, the basic principles of insurance protection, so that any severe losses will still be distributed. This merit-rating system is working out very satisfactorily, and is offering an incentive to the policyholder to take a greater interest in accident prevention in his plant.

There is no doubt that the State Accident Fund has saved to the employers insuring with the Fund many thousands of dollars, and at the same time giving them full protection under the Workmen's Compensation Law of Maryland.

The Governor, without Senate confirmation, appoints one State Employment Commissioner for a term of six years from October 1, 1926. The others of the staff of the Commission are in the classified service.

The State Employment Commissioner is charged with administering the Merit System Law of the State. (Art. 64A, page 2160, Annotated Code of Maryland—Bagby.) The law gives the Commissioner general control of employment and personnel matters so far as the classified service is concerned.

The Merit System Law of Maryland, creating the State Employment Commission, was passed during the first legislative session of the first administration of Governor Ritchie. It embodies advanced principles of personnel legislation which have made possible the inauguration in Maryland of a progressive personnel program based upon the most favorably accepted practices in both the public and private fields of employment.

Large business organizations, public and private, have found it desirable to establish a central agency to handle certain kinds of employment matters. The reasons for this are obvious. In large organizations, the management cannot hope to maintain a close personal touch with the large number of employes on the payroll and must, therefore, set up certain administrative machinery to secure the degree of control over the personnel, policies, and administration that is desired, and to bring to bear, through the central agency, scientific methods which have been developed for dealing with personnel problems.

With the enactment of the Merit System Law and by subsequent executive orders, Maryland has been given a rank among the highest of governmental jurisdictions of the country in the percentage of positions of the executive division of its government under the classified service. These embrace positions from the lowest paid employes in the institutions to the bureau and division chiefs of the various departments. Under the personnel program of Maryland, more has been done to aid the management of State institutions to secure and retain a high-grade working force than has been done in other jurisdictions.

The testing processes used in selecting employes for entrance to and promotion in the service have been kept up to the highest standard by a careful study of the development of tests used both in the field of employment and in the educational field. During the last few years, no feature of personnel management, perhaps no governmental activity, has been subjected to so close a scrutiny, has been given a greater analysis, has made greater progress than has the technique of testing for employment. In this research work, many of the tests used by the Maryland Commission have been analyzed and made the basis of technical articles and experimental tests, and have been used by personnel agencies in both the public and private field throughout the country.

A scientific duties classification has been developed and is currently in use in the Maryland service. Positions having substantially similar duties are grouped together under a descriptive title, with a detailed statement of the duties and responsibilities of each position. This classification serves as a basis for the handling of many of the employment problems. In addition, it has brought about, to a considerable degree, an equalization of the salaries of those doing the same kind of

work and, throughout the State service, the pay is now closely related to the duties performed and the responsibilities exercised.

Various other matters affecting the personnel of the service, such as transfers, leaves of absence, service ratings, disciplinary action, lay-offs, resignations, and removals, are handled centrally through the State Employment Commission, on a business basis similar to that obtaining in big business enterprises.

The cost of the operation of the State Employment Commission has, each year, been approximately one-half of one per cent. of the salary budget for the several departments and institutions of the executive division of the Maryland government. This is considered a nominal cost for the operation of a personnel system in which the recognized features of personnel management are handled, and from statistics available and in the judgment of those who are familiar with the operation of personnel programs, Maryland ranks among the first, both in effectiveness and in economy of operation. Such a rating has recently been made by the Bureau of Public Personnel Administration, a central organization established to serve as a clearing-house and research agency for public personnel groups in the United States and Canada.

The Merit System Law provides that the Commissioner shall classify positions in the classified service, pass upon the qualifications of applicants, and certify eligibles when vacancies are to be filled, recommend minimum and maximum salary ranges with intermediate salary rates for each class of position, pass upon transfers, promotions, reinstatements, leaves of absence, and other actions affecting the status of classified employees, provide for the removal of employees and hold hearings when charges are filed by an appointing authority or a citizen, prescribe the standards of performance and the form and scope of the personnel records that appointing authorities keep, investigate the efficiency of employees in the classified service, and make recommendations for increased efficiency and economy. The Commissioner is also required to check payrolls in advance of the payment of salaries to employees in the classified service, and certify to the legality of the employment of such employees.

By Act of the General Assembly, Session of 1922. Part XVI, Chapter 29, there was established the Department of State Employment and Registration, to be composed of the State Employment Commission and the various examining and licensing boards of the State, with such additional boards as may hereafter be provided for, the head of this department to be the State Employment Commissioner, and to be known as the Commissioner of State Employment and Registration.

Under the provisions of this section of the Act, the State Board of Electrical Examiners and Supervisors and the State Board of Examiners of Moving Picture Machine Operators, by authority of the Board of Public Works, have their official office at 22 Light Street at the office of the State Employment Commission and transact their official business there.

The Seventh Annual Report, giving in detail the activities of the Commission for the fiscal year ending September 30, 1927, and containing a recapitulation of the activities of previous years, has been issued and is available for distribution upon application to the office of the Commission.

SKETCH OF GOVERNOR

Governor: ALBERT C. RITCHIE (Democrat), Baltimore.

Albert C. Ritchie was born August 29, 1876. He is a member of the Protestant Episcopal Church. His father was Judge Albert Ritchie, who had been a member of the Maryland Constitutional Convention of 1867, City Solicitor of Baltimore, City Counsellor of Baltimore, President of the Maryland Historical Society, Professor at the University of Maryland Law School, and Judge of the Supreme Bench of Baltimore City. His mother, before her marriage, was Miss Elizabeth Caskie Cabell of Richmond, Virginia.

Mr. Ritchie received his early education in private schools in Baltimore and graduated from the Johns Hopkins University in 1896 with the degree of A. B., and from the University of Maryland Law School in 1898 with the degree of LL. B. In 1920 he received the degree of LL. D. from the University of Maryland and from St. John's College, and in 1923 from Washington College.

Upon his graduation, Mr. Ritchie began the practice of law in Baltimore City with the firm of Steele, Semmes, Carey & Bond, of which firm he became a member in 1900. In March, 1903, he was appointed Assistant City Solicitor of Baltimore City, holding this position until July 1, 1910, when he resigned.

In November, 1903, Mr. Ritchie formed a partnership for the general practice of law with Mr. Stuart S. Janney, under the firm name of Ritchie & Janney, which firm later became Ritchie, Janney & Griswold, and still later Ritchie, Janney & Stuart. Mr. Ritchie was a member of this firm until his election as Governor.

In 1907 he was appointed Professor of Law at the University of Maryland Law School and served in this capacity until his election as Governor.

On July 1, 1910, Mr. Ritchie became Assistant General Counsel to the Public Service Commission. This is the position popularly known as People's Counsel, and it was in this capacity that Mr. Ritchie represented the people of Baltimore in his noteworthy fight for cheaper gas and electricity, which resulted in reducing the price of gas from 90 to 80 cents per 1000 cubic feet, and the price of electricity from 10 to 8½ cents per K.W.H. On February 16, 1913, Mr. Ritchie resigned this position to devote his time to private practise.

In September, 1915, Mr. Ritchie was nominated in the direct primary on the Democratic ticket for Attorney-Gen-

eral of Maryland, and in November, 1915, he was elected to that office by a majority of 25,000.

Mr. Ritchie served as Attorney-General from December 20, 1915, to December 20, 1919. He organized the first State Law Department of Maryland, which took over the legal work of all of the State Departments except the Public Service Commission, thus doing away with the employment of numerous special counsel, and resulting both in economy and increased efficiency to the State. At the War Session of 1917 he prepared or supervised all special legislation made necessary by the war, and this work served as a model in many States.

On June 3, 1918, Mr. Ritchie was appointed General Counsel to the United States War Industries Board, serving in this capacity until December, 1918, when the Board was dissolved. He secured a leave of absence from his duties as Attorney-General and moved to Washington in order to devote his entire time to war work.

In September, 1919, Mr. Ritchie was nominated without opposition as the Democratic candidate for Governor of Maryland, and in November, 1919, he was elected. He thereby won a signal victory, converting a Republican plurality of 10,000 in the Baltimore City Mayoralty election of May, 1919, into a Democratic plurality of 1800 in November of the same year.

Governor Ritchie's first term was noteworthy for a number of constructive achievements.

The State Reorganization Bill and the Fewer Elections Bill were passed.

He fostered and developed the Public School System of the State, until, from a position of stagnation, it now equals the best in the country.

He advocated and pursued the policy of building and maintaining the roads of the State until Maryland stands second to no State in the Union in the excellence of its highways.

He established the Merit System for State employes.

He inaugurated a business system of purchasing State supplies, effecting a remarkable saving of the taxpayers' money.

He secured the passage of model legislation on the subject of co-operative marketing, the eradication of tuberculosis from dairy herds and the promotion of agriculture.

He redrafted and liberalized the Workmen's Compensation Act and advocated and secured legislation protecting the health and safety of the miners of the State.

When, in 1922, President Harding, during the coal miners' strike of that year, called upon the Governors of all the coal

producing States to send troops to the mines, Governor Ritchie, alone among them all, declined to send troops to the mines and took the position that the situation should be met by mutual agreement and not by the bayonet. The strike was finally settled by mutual agreement.

Governor Ritchie was elected President of the Maryland State Bar Association for the year 1922-1923.

In September, 1923, Governor Ritchie was renominated without opposition for a second term as Governor, and in November, 1923, was re-elected by a plurality of over 40,000. Maryland has elected her Governors by popular vote since 1838. During all that time no Democratic Governor had ever been renominated, and no Governor of either party had ever been re-elected. Governor Ritchie broke both precedents.

During the first Legislature of his second term, that of 1924, he completed a reduction in the State tax rate of 25 per cent. since 1920, which was without precedent in Maryland since 1867.

Governor Ritchie was one of the delegates at large from Maryland to the Democratic National Convention held in St. Louis in June, 1916, which nominated Woodrow Wilson for his second term, was delegate at large to the Democratic National Conventions held in San Francisco in June, 1920; to that held in New York in June, 1924, and to that held in Houston, Texas, in June, 1928.

In September, 1926, Governor Ritchie was renominated for a third term, receiving a majority in the primary of over 81,500 and the unanimous vote of the Democratic State Convention. He was re-elected in November, 1926, by a majority of nearly 61,000 the largest ever received by a candidate for Governor in the history of the State.

Secretary of State: DAVID C. WINEBRENNER 3d (Democrat),
Frederick, Maryland.

David C. Winebrenner 3d, the elder son of D. Charles and Eleanor Nelson (Ritchie) Winebrenner, was born in Frederick, Maryland, on June 16, 1897. He received his early education in the public schools of Frederick and at St. Paul's School, Concord, New Hampshire, from which he was graduated in 1916. He entered Princeton University the fall of the same year and left in May, 1917, to go to France with the First Princeton Unit of the American Field Service. After serving a six months' enlistment with

that organization he returned to the United States in December, 1917, and enlisted in the American Air Forces, in which he served until the signing of the Armistice.

Following the Armistice, Mr. Winebrenner taught at St. James School, the Episcopal Diocesan School for Boys, near Hagerstown, Maryland, until June, 1919. In the fall of the same year he entered the Law School of the University of Maryland, from which he was graduated in 1922. In 1921, prior to his graduation from law school, Mr. Winebrenner passed the Maryland Bar Examinations and was subsequently admitted to practice.

Returning to his home in Frederick, Mr. Winebrenner commenced the practice of law in June, 1922, and the following year formed a partnership with Francis H. Urner, Esq.

In 1923 he was appointed as Private Secretary to United States Senator William Cabell Bruce, which position he held until December 31, 1924.

In May, 1924, Mr. Winebrenner was nominated for Congress in the Sixth Congressional District on the Democratic ticket in a four-cornered primary, but was defeated in the November election by Congressman Frederick N. Zihlman. Shortly thereafter Mr. Winebrenner dissolved his law partnership with Mr. Urner and formed a new one with Walter E. Sinn, Esq., which firm now practices in Frederick under the name of Winebrenner and Sinn.

Mr. Winebrenner was appointed Secretary of State of Maryland on December 8, 1925, by Governor Ritchie to succeed Colonel E. Brooke Lee, resigned, and was reappointed January 12, 1927.

In addition to his law practice and duties as Secretary of State, Mr. Winebrenner is President of the New Citizen Publishing and Manufacturing Company, of Frederick, and Managing Editor of the *New Citizen*, a weekly Democratic newspaper.

Attorney-General: THOMAS H. ROBINSON (Democrat), Belair, Maryland.

Thomas H. Robinson, son of Dr. Samuel S. and Mary C. Robinson, was born on March 2, 1860, in Harford County, Maryland. He received an excellent education and was admitted to the Bar in 1883. Since that time he has actively practiced his profession and has taken a leading part in many important litigations. His law offices have always been at Belair, the county seat of Harford. He has for

some years been president of the Second National Bank of Belair.

Mr. Robinson took a leading and active part in three sessions of the Maryland Senate, as Senator from Harford County. He served the Democratic party four times as a delegate to National Convention and was chairman of the Maryland delegation that nominated Governor Cox for President. Mr. Robinson was also chairman of the Maryland delegation to the National Convention in New York, in 1924, which nominated John W. Davis for President. He was chairman of all the Liberty Loan committees for Harford County, and chairman of the Council of Defense for Harford County during the World War, and the Secretary of War appointed him on the commission which selected the land (35,000 acres) for the Aberdeen Proving Ground.

Mr. Robinson served on Governor Ritchie's Reorganization Commission. He was a member of the Committee of Eight that actually drafted the plan of State Reorganization which was adopted by the commission and put into effect by Governor Ritchie. In 1923 he was his party's candidate for Attorney-General of the State and received an overwhelming majority for that office.

Mr. Robinson married, September 17, 1884, Clara C. Cain, also of Harford County. They have four children living, one deceased.

In September, 1926, he was again nominated and re-elected in November, 1926, for a term of four years.

The Adjutant General: MILTON A. RECKORD (Democrat), Harford County.

Milton A. Reckord, the twenty-second Adjutant General of Maryland, was born in Harford County December 28th, 1879. He is the son of the late John H. and Lydia A. Reckord.

General Reckord's connection with the Maryland National Guard dates from February 15th, 1901, when he enlisted as a private in Company D, 1st Infantry. He served as an enlisted man until December 28th, 1904, when he was commissioned Captain of that company.

On September 27th, 1906, he was commissioned a Major of Infantry and assigned to command a battalion of the First Infantry.

He served on the Mexican Border and commanded the Second Battalion of the First Infantry throughout this tour of duty.

Upon the declaration of war with Germany and Austria, General Reckord, then a Major, was ordered with his battalion, to Havre de Grace for the protection of the railroad bridges crossing the Susquehanna River, remaining upon this duty for several months.

On August 4th, 1917, he was commissioned a Lieutenant Colonel of Infantry and assigned to the Fifth Infantry, and in this capacity entered the United States Army with the troops from Maryland and proceeded to concentration camp at Anniston, Alabama. Here the Maryland regiments were consolidated and the 115th Infantry formed to which organization he went as Lieutenant Colonel.

Upon the retirement of Colonel Charles A. Little, General Reckord succeeded to command of the 115th Infantry. In the capacity of Colonel of this regiment he commanded it throughout its training and during its oversea's service and upon return of the regiment from service in France was mustered out with it at Camp Meade, Maryland.

General Reckord has always taken a keen interest in all military matters. In addition to being The Adjutant General of the State he is also the Ranking Line Officer of the Maryland National Guard; was the President of the National Guard Association of the United States, serving two years as such, and at present is the Executive of the National Rifle Association of America.

He is in business at Belair, where his home is located, and is a member of the Baltimore Association of Commerce, the Baltimore Chamber of Commerce, the Baltimore Club, and the Baltimore Athletic Club.

Clerk of the Court of Appeals: JAMES A. YOUNG (Democrat), Cumberland, Maryland.

James A. Young was born at Keyser, West Virginia, May 4, 1879. Two years later his parents moved into Allegany County, where he has since resided. He attended the public schools in Barton, Moscow Mills and Cumberland. He learned the job printing trade in the plant of the Evening Times in Cumberland, and for a while was foreman, and then engaged in the job printing business in Cumberland.

At the time of the organization of the Maryland Shoe Company (wholesale) in Cumberland, he was made a director and with his father, as president, participated in the management of the sales department. Voluntarily leaving this company, Mr. Young and his father assumed control of the R. D. Johnson Milling Company, which firm he represented as traveling salesman for several years.

On June 26, 1901, Mr. Young married Miss Daisy Wilson White, a native of Cumberland. He is a member of Calvary Methodist Episcopal Church, Annapolis, is actively identified with several fraternal societies, and a member of Cumberland Local, No. 244, International Typographical Union.

Mr. Young comes from a prominent family, his father, John W. Young, having been twice elected Clerk of Court for Allegany County as a Democrat, although the county is strongly Republican. He has held responsible political positions, having been clerk of the Board of Election Supervisors, and in 1921 was elected a Road Director for Allegany County by the largest vote ever given a Democrat for any office in that county.

In the election of 1923, Mr. Young was elected Clerk of the Court of Appeals of Maryland. The majority he received (58,957) was the largest ever given to a candidate for public office in Maryland.

In September, 1926, he was again nominated, and in November, 1926, was re-elected for a term of four years, again receiving the largest majority ever given a candidate for public office in the State.

State Treasurer: JOHN M. DENNIS (Democrat), Riderwood, Maryland.

John M. Dennis was born February 23, 1866, at Frederick, Maryland. He is the son of the late Colonel George Robertson Dennis and Fanny McPherson Dennis. Colonel George Robertson Dennis was born on a farm named "Essex," in Somerset County, Maryland, March 16, 1831, he being a direct descendant of John Dennis, who sailed from Gravesend, England, July, 1638, at the age of 22 years, in the ship Merchants' Hope. He settled in Accomac County, Virginia, married and had several children, as appears by his will, on record in the Northampton County Court House. His son, Donnock Dennis, was born in 1645, moved to Somerset County, Maryland, and resided there until 1716, when he died. He married Eliza Lyttleton, daughter of Nathaniel Lyttleton. He was appointed Lord High Sheriff of the county in 1685 by Governor Copley, an office at that time of high rank and dignity, and was a lawyer by profession.

The descendants of Donnock Dennis held high positions in each generation and were recognized as men of learning and ability, holding offices in the courts and councils of the State and of the Nation.

Lyttleton Dennis, fourth in descent from Donnock, married Elizabeth Upshur. He was an able man and an eloquent speaker. For many years he held the office of Judge of the Court of Appeals and was a Whig Presidential elector for five elections—from 1801 to 1829.

His son, Lyttleton Upshur Dennis, married Sarah Waters. He died at his estate in Somerset, known as "Essex," aged 29 years. Two children, George Robertson Dennis and Elizabeth Upshur Dennis, who married Mr. Murray Rush of Philadelphia, survived him.

Colonel George Robertson Dennis married Fanny McPherson of Frederick County. He removed from the Eastern Shore to Frederick County after his marriage, where he engaged in farming, and in later years was elected president of the Central National Bank of Frederick. In protecting the property of the Baltimore and Ohio Railroad he became a warm personal friend of the late John W. Garrett and was a director in the Baltimore and Ohio Railroad Company from 1862 until his death in 1902.

On his mother's side, the ancestors of John McPherson Dennis were equally prominent in the early history of the country. Governor Thomas Johnson, the first Governor of Maryland, 1777-79, was his great-great-grandfather. Colonel Robert McPherson took an active part in establishing the independence of the Colonies and in the Revolution.

From the above record it is not difficult to see from whence John M. Dennis derived his love of statesmanship and interest in public affairs.

John M. Dennis was educated in the public schools of Frederick County and for two years attended Milton Academy at Philopolis, Baltimore County, Maryland. At sixteen years of age he left Maryland and was employed by the C. W. & B. Railroad Co. in Cincinnati, Ohio and remained West in different railroad positions until June, 1890, when he returned to Baltimore and formed a connection with the firm of Tate, Muller & Company, grain merchants, which was succeeded by the firm of Louis Muller & Company, of which Mr. Dennis became president and remained president until December 1, 1914, when he was elected president of the Union Trust Company of Maryland, Baltimore.

In 1899 Mr. Dennis married Mary Chiles of Independence, Jackson County, Missouri. He has two children, John McPherson Dennis, Jr., and Mary Frances Dennis.

Mr. Dennis is a large land owner in Frederick County and also in Baltimore County, where he resides on his farm near Riderwood. He was elected president of the Maryland State

Dairymen's Association in November, 1915, and is an extensive breeder of Holstein-Friesian cattle. He is also president of the Maryland State Fair and Agricultural Society.

At the 1916 session of the General Assembly of Maryland Mr. Dennis was elected Treasurer of the State of Maryland, serving for two years. He was elected for the second time in 1920, succeeding Hon. William Purnell Jackson; was re-elected in 1922, and again in 1924 by the unanimous vote of the General Assembly. The 1927 session of the General Assembly again elected Mr. Dennis to this office for a term of four years on January 27, 1927.

Comptroller of the Treasury: WM. S. GORDY, JR. (Democrat), Salisbury, Maryland.

William Sidney Gordy, Jr., was born December 21st, 1873, at Salisbury, Maryland. His father was the late William Sidney Gordy, who for many years was connected with the business interests of Salisbury, and was a son of Samuel Gordy, one of the early settlers and merchants of this city. His mother, who is also deceased, was before her marriage, Virginia Dashiell Brewington, daughter of Mr. and Mrs. Henry J. Brewington. In November, 1901, Mr. Gordy married Miss M. Clara White, daughter of Mr. and Mrs. John Henry White of Salisbury, Maryland.

Mr. Gordy received his education in the public schools of Wicomico County. His first employment was as clerk in the local freight office of the New York, Philadelphia & Norfolk Railroad Company, later being passenger and freight agent for the Baltimore, Chesapeake & Atlantic Railway Company at Salisbury, Maryland, until he was transferred to the General Freight and Passenger office in Baltimore; after which he returned to Salisbury as Chief Clerk in the Division Passenger and Freight Office of that road. He resigned his railroad position in June, 1897, to accept a position with the Salisbury National Bank, and has filled every position in that institution, having been elected Cashier in 1912, which office he still holds. In 1914 he succeeded his father in an insurance brokerage business, which he is still conducting.

In 1916 Mr. Gordy was elected president of the Associated Banks of Somerset, Worcester and Wicomico Counties, a local Banking Association of the Eastern Shore. In 1918 he was honored by being elected president of the Maryland Bankers' Association, in session at Atlantic City. For many years he has served as Treasurer and also a director

of the Peninsula General Hospital at Salisbury, and is now Treasurer and a Director of the Salisbury Home for the Aged.

During the World War Mr. Gordy took an active part in his local community in all movements—Liberty Loan drives, Red Cross work and other organized war activities.

In September, 1921, he was nominated by the Democratic State Convention for Comptroller of the Treasury, and was elected in November of that year. He was renominated in September, 1923, and re-elected in November for a term of three years.

In September, 1926, he was again nominated, and re-elected in November, 1926, for a term of four years.

The County Board of Education and the Board of School Commissioners of Baltimore City, with the approval of the Senator, makes the appointment after competitive examination. Those who are awarded scholarships agree to teach school for two years after leaving college.

As there were only four legislative districts in Baltimore City when the Act was passed, the total scholarships provided are 27.

Johns Hopkins University

Chapter 90 of the Acts of 1912 provides that the Johns Hopkins University shall grant a total of 129 scholarships in consideration of the appropriation made by the State. At the time of the passage of the Act in 1912, this provided one scholarship for each member of the House of Delegates, six scholarships from the State at large without reference to county or legislative district, and three scholarships from each of the following institutions:

Loyola College,

Western Maryland College.

The 102 scholarships which are awarded to the several counties and the legislative districts of Baltimore City are to be awarded to deserving young men without means of securing a technical education who must be graduates of approved high schools. Where there is more than one applicant for any scholarship, there must be a competitive examination and the Senator from the particular county or legislative district of Baltimore City must certify as to his financial need, etc. The scholarships to be awarded from the colleges are to be awarded on scholastic standing as certified by the President or other executive officer of the college. These scholarships are limited to the Engineering School and include free tuition and exemption from all laboratory, library and graduation fees, as well as purchase of books. One of said scholarships for each county and each legislative district of Baltimore City is to be known as a "Senatorial scholarship" and carries with it the payment of \$200 per year, in addition to tuition, etc.

In 1908, there were four legislative districts in Baltimore City, and in 1894, only three legislative districts,

so that at present there are 27 scholarships, including tuition, board and room rent, and 26 scholarships for tuition only. The scholarships are awarded by the County Board of Education and by the Board of School Commissioners of Baltimore City, with the approval of the Senator from the respective counties and legislative districts.

St. Mary's Female Seminary

Chapter 193 of the Acts of 1868 provides that there shall be one free scholarship for each county and legislative district of Baltimore City, this scholarship to include tuition, board and text books. Appointments are made by the County Board of Education and Superintendent of Schools and the Board of School Commissioners and Superintendent of Schools of Baltimore City, respectively.

Washington College

Chapter 293 of the Acts of 1898 provides that Washington College shall grant one scholarship (male or female) from each of the 14 counties on the Western Shore, these scholarships covering tuition and text books.

These scholarships are awarded by the County Board of Education, with the approval of the Senator, and those awarded scholarships agree to teach school for two years.

Chapter 188 of 1896 provides a scholarship for one indigent female student from each of the nine Eastern Shore Counties, these students to be graduates of a public school to be appointed by the County Board of Education, and those receiving the scholarships must agree to teach school.

Chapter 154 of 1892 provides for one additional scholarship from each of the nine Eastern Shore counties, these scholarships including tuition, board and books.

The total scholarships awarded by Washington College are 36 covering free tuition, board, room rent and text books, 25 covering free tuition and text books, and 50 covering free tuition.

CHARLES,* by the grace of God, of *England, Scotland, France and Ireland*, KING, Defender of the Faith, &c. To ALL to whom these Presents shall come, GREETING.

II. WHEREAS, our well beloved and right trusty Subject, CAECILIUS CALVERT, Baron of BALTIMORE, in our Kingdom of *Ireland*, Son and Heir of GEORGE CALVERT, Knight, late Baron of BALTIMORE in our said Kingdom of *Ireland*, treading in the Steps of his Father, being animated with a laudable and pious Zeal for extending the *Christian Religion*, and also the Territories of our Empire, hath humbly besought leave of US, that he may transport by his own Industry and Expense a numerous Colony of the *English Nation*, to a certain region, herein after described, in a Country hitherto uncultivated, in the parts of *America* and partly occupied by Savages, having no Knowledge of the Divine Being, and that all that Region, with some Privileges, and Jurisdiction, appertaining unto the wholesome Government, and State of his Colony and Region aforesaid may by our Royal Highness be given, granted, and confirmed unto him and his heirs.

III. KNOW YE therefore that WE, encouraging with our Royal Favour, the pious and noble Purpose of the aforesaid Baron of Baltimore, of our special Grace, certain Knowledge, and mere Motion, have GIVEN, GRANTED, and CONFIRMED, and by this our present CHARTER, for US, our Heirs, and Successors, do GIVE, GRANT AND CONFIRM, unto the aforesaid CAECILIUS, now Baron of BALTIMORE, his Heirs and Assigns all that Part of the Peninsula, or *Chersonese* lying in the Parts of *America*, between the Ocean on the East, and the bay of *Chesapeake* on the West, divided from the Residue thereof by a Right Line drawn from the Promontory, or Head Line, called *Watkins' Point*, situate upon the Bay aforesaid, near the river of *Wighco*, on the West, unto the Main Ocean on the East; and between that Boundary on the South unto that Part of the Bay of *Delaware* on the North, which lieth under the Fortieth Degree of North Latitude from the Aequinoctial, where *New-England*

* Charles the First, of England.

is terminated; And all the Tract of that Land within the Metes underwritten, (*that is to say,*) passing from the said Bay, called *Delaware Bay*, in a right line, by the degree aforesaid, unto the true Meridian of the first Fountain of the River of *Pattowmack*, thence verging toward the South, unto the further Bank of the said River, and following the same on the West and South, unto a certain place called *Cinquack*, situate near the Mouth of the said River, where it disembogues into the aforesaid Bay of *Chesapeake*, and thence by the shortest line unto the aforesaid Promontory, or Place called *Watkins' Point*; so that the whole Tract of Land, divided by the Line aforesaid; between the Main Ocean and *Watkins' Point*, unto the Promontory called *Cape Charles*, and every the Appendages thereof, may entirely remain excepted for ever to US, our Heirs and Successors.

IV. the Region, Islands, Islets, and Limits aforesaid, to be had, exercised, used and enjoyed, as any Bishop of *Durham*, within the Bishoprick or County Palatine of *Durham*, in our Kingdom of *England*, ever heretofore hath had, held, used, or enjoyed, or of Right, could, or ought to have hold, use or enjoy.

V. And WE do by these Presents, for US, our Heirs and Successors, MAKE, CREATE and CONSTITUTE HIM, the now Baron of BALTIMORE, and his Heirs, the TRUE and ABSOLUTE LORDS and PROPRIETARIES of the Region aforesaid, and of all other the Premises (except the before excepted) saving always the Faith and Allegiance and Sovereign Dominion due to US, our Heirs and Successors, to HAVE, HOLD, POSSESS and ENJOY the aforesaid Region, Islands, Islets and other the Premises unto the aforesaid now Baron of BALTIMORE, and to his Heirs and Assigns, to the sole and proper Behoof and Use of him, the now Baron of BALTIMORE, his Heirs and Assigns forever. To HOLD of US our Heirs and Successors, Kings of *England*, as of our Castle of *Windsor*, in our County of *Berks*, in free and common SOCCAGE, by Fealty only for all Services, and not *in Capite*, nor by Knight's Service, YIELDING therefore unto US, our Heirs and Successors, TWO INDIAN ARROWS of those Parts, to be delivered at the said Castle of *Windsor*, every Year, on Tuesday in Easter-week; and also the fifth Part of all Gold and Silver Ore, which shall happen from Time to Time, to be found within the aforesaid Limits.

VI. Now, That the aforesaid Region, thus by us granted and described, may be eminently distinguished above all other Regions, of that Territory, and decorated with more ample Titles, KNOW YE, that WE, of our most especial Grace certain Knowledge, and mere Motion, have thought fit that the said Region and Islands be erected into a PROVINCE, as out of the Plentitude of our royal Power and Prerogative, WE do, for US, our Heirs and Successors, ERECT and INCORPORATE the same into a PROVINCE, and nominate the same MARYLAND, by which name WE will that it shall from henceforth be called.

VII. And forasmuch as WE have above made and ordained the aforesaid now Baron of BALTIMORE, the true LORD and PROPRIETARY of the whole PROVINCE aforesaid, KNOW YE therefore further, that WE, for Us, our Heirs, and Successors do grant unto the said now Baron, (in whose Fidelity, Prudence, Justice, and provident Circumspection of Mind, WE repose the greatest Confidence) and to his Heirs, for the good and happy Government of the said PROVINCE, free, full and absolute Power, by the Tenor of

these Presents, to Ordain, Make and Enact LAWS, of what kind soever, according to their sound Discretion, whether relating to the Public State of the said PROVINCE, or the private Utility of Individuals, of and with the Advice, Assent, and Approbation of the Free-Men of the same PROVINCE, or of the great Part of them, or of their Delegates or Deputies, whom WE will shall be called together for the framing of LAWS, when, and as often as Need shall require by the aforesaid now Baron of BALTIMORE, and his Heirs, and in the Form which shall seem best to him or them, and the same to publish under the Seal of the aforesaid now Baron of BALTIMORE, and his Heirs and duly to execute the same upon all Persons, for the Time being, with the aforesaid PROVINCE and the Limits thereof, or under his or their Government and Power, in Sailing toward MARYLAND, or thence Returning, Outwardbound, either to *England* or elsewhere, whether to any other Part or of any foreign Dominions, wheresoever established, by the Imposition of Fines, Imprisonment, and other Punishment, whatsoever; even if it be necessary, and the Quality of the Offence require it, by Privation of Member, or Life, by him the aforesaid now Baron of BALTIMORE, and his Heirs, or by his or their Deputy, Lieutenant, Judges, Justices, Magistrates, Officers, and Ministers, to be constituted and appointed according to the Tenor and true Intent of these Presents and to constitute and ordain Judges, Justices, Magistrates and Officers, of what Kind, for what Cause, and with what Power soever, within that Land, and the Sea of those Parts, and in such Form as to the said now Baron of BALTIMORE or his Heirs, shall seem most fitting; And also to Remit, Release, Pardon, and Abolish, all Crimes and Offences whatsoever against such Laws, whether before, or after Judgment passed; and to do all and singular other Things belonging to the Completion of Justice, and to Courts, Prætorian Judicatories, and Tribunals, judicial Forms and Modes of Proceeding, although express Mention thereof in these Presents be not made; and, by Judges by them delegated, to award Process, hold Pleas, and determine in those Courts, Prætorian Judicatories, and Tribunals, in all Actions; Suits, Causes and Matters whatsoever, as well Criminal as Personal, Real and Mixed, and Prætorian: Which said Laws, so to be published as above said. WE will, enjoin, charge and command, to be most absolute and firm in Law, and to be kept in those Parts by all the Subjects and Liege-Men of US, our Heirs and Successors, so far as they concern them, and to be inviolably observed under the Penalties therein expressed, or to be expressed.

So NEVERTHELESS, that the Laws aforesaid be Consonant to Reason, and be no repugnant or contrary, but (so far as conveniently may be) agreeable to the Laws, Statutes, Customs and Rights of this Our Kingdom of *England*.

VIII. AND FORASMUCH as, in the Government of so great a PROVINCE, sudden Accidents may frequently happen to which it will be necessary to apply a Remedy before the Freeholders of the said PROVINCE, their Delegates or Deputies, can be called together for the framing of Laws; neither will it be fit that so great a number of People should immediately on such emergent Occasion, be called together, WE THEREFORE, for the better Government of so great a PROVINCE, do Will and Ordain and by these Presents, for US, our Heirs and Successors do grant unto the said now Baron of BALTIMORE, and to his Heirs that the aforesaid now Baron of BALTIMORE, and his Heirs, by themselves, or by their Magistrates and Officers, thereunto duly to be constituted as aforesaid, may, and can make and constitute fit and wholesome Ordinances from Time to Time, to be kept and observed within the PROVINCE aforesaid, as well for the Conservation of the Peace, as for the Better Government of the People inhabiting therein, and publicly to notify the same to all Persons whom the same in any wise do or may affect. Which Ordinances, WE will to be inviolably observed within the said PROVINCE, under the Pains to be expressed in the same. So that the said Ordinances be Consonant to Reason, and be not repugnant nor contrary, but (so far as conveniently may be done) agreeable to the Laws, Statutes, or Right of our Kingdom of *England*; and so that the same Ordinances do not, in any Sort, extend to oblige, bind, charge, or take away the Right or Interest of any Person or Persons, of, or in Member, Life Freehold Goods or Chattels.

IX. FURTHERMORE that the new Colony may more happily increase by a Multitude of People resorting thither, and at the same Time may be more firmly secured from the Incursions of Savages, or of other Enemies, Pirates, and Ravagers WE, therefore, for US, our Heirs and Successors, do by these Presents give and grant Power, License and Liberty, to all the Liege-Men and Subjects, present and future, of US, our Heirs and Successors, except such to whom it shall be expressly forbidden, to transport themselves and their Families to the said PROVINCE, with fitting Vessels, and suitable provisions, and therein to settle, dwell, and inhabit; and to build and fortify Castles, Forts, and other Places of Strength at the Appointment of the aforesaid, now Baron of BALTIMORE, and his Heirs, for the

Public and their own Defense; the Statute of Fugitives, or any other whatsoever to the contrary of the Premises in any wise notwithstanding.

X. WE will also, out of our more abundant Grace, for US, our Heirs and Successors, do firmly charge, constitute, ordain and command that the said PROVINCE be of our Allegiance; and that all and singular the Subjects and Liege-Men of US, our Heirs and Successors, transplanted, or hereafter to be transplanted into the PROVINCE aforesaid, and the children of them, and of others their Descendants, whether already born there, or hereafter to be born, be and shall be natives and Liege-Men of US, our Heirs and Successors, of our Kingdom of *England* and *Ireland*; and in all Things shall be held, treated, reputed, and esteemed as the faithful Liege-Men of US, and our Heirs and Successors, born within our Kingdom of *England*; also Lands, Tenements, Revenues, Services, and other Hereditaments whatsoever within our Kingdom of *England*, and other our Dominions, to inherit or otherwise purchase, receive, take, have, hold, buy, and possess, and the same to use and enjoy, and the same to give, sell, alien, and bequeath; and likewise all Privileges, Franchises and Liberties of this our Kingdom of *England*, freely, quietly and peaceably to have and possess, and the same may use and enjoy in the same Manner as our Liege-Men born, or to be born within our same Kingdom of *England*, without Impediment, Molestation, Vexation, Impeachment, or Grievance of US, or any of our Heirs or Successors; any Statute, Act, Ordinance or Provisions to the contrary thereof, notwithstanding.

XI. FURTHERMORE, That our Subjects may be incited to undertake this Expedition with a ready and cheerful Mind, KNOW YE, that WE of our especial Grace, certain Knowledge, and mere Motion, do, by the aforesaid Baron of BALTIMORE and to his Heirs, as to all other Persons who shall from Time to Time repair to the said Province, either for the sake of Inhabiting, or of Trading with the Inhabitants of the Province aforesaid, full License to Ship and Lade in any the Ports of US, our Heirs and Successors, all and singular their Goods, as well moveable as immovable, Wares and Merchandise, likewise Grain of what Sort soever, and other Things whatsoever necessary for Food and Clothing, by the Laws and Statutes of our Kingdoms and Dominions, not prohibited to be transported out of the said Kingdoms; and the same to transport, by themselves, or their Servants or Assigns, into the said PROVINCE without the Impediment or Molestation of US, our Heirs or

Successors, of any officers of US, our Heirs or Successors (Saving unto Us, our Heirs and Successors, the Impositions, Subsidies, Customs, and other Dues payable for the same Goods and Merchandizes), any Statute, Act, Ordinance or other Thing whatsoever to the contrary notwithstanding.

XII. BUT BECAUSE, that in so remote a Region, placed among so many barbarous Nations, the Incursions, as well of the Barbarians themselves, as of other Enemies, Pirates and Ravagers, probably will be feared, THEREFORE WE have Given, and for US, our Heirs and Successors, do Give by these Presents, as full and unrestrained Power as any Captain-General of an Army ever hath had, unto the aforesaid now Baron of BALTIMORE, and to his Heirs and Assigns, by themselves or by their Captains or other Officers, to summon to their Standards, or to array all Men, of whatsoever Condition, or wheresoever born for the Time being, in the said Province of MARYLAND, to wage War, and to pursue, even beyond the Limits of their Province, the Enemies and Ravagers aforesaid, infesting those Parts by Land and by Sea, and (if GOD shall grant it) to vanquish and captivate them, and the Captives to put to Death, or, according to their Discretion, to save, and to do all other and singular the Things which appertain, or have been accustomed to appertain unto the Authority and Office of a Captain-General of an Army.

XIII. We also WILL, and by this our CHARTER, do Give unto the aforesaid now baron of BALTIMORE, and to his Heirs and Assigns, Power, Liberty and Authority, that, in Case of Rebellion, sudden Tumult or Sedition, if any (which GOD forbid) should happen to arise, whether upon Land within the PROVINCE aforesaid, or upon the High Sea in making a Voyage to the said PROVINCE of MARYLAND, or in returning thence, they may, by themselves, or by their Captains, or other Officers, thereunto deputed under their Seals (to whom WE, for US, our Heirs and Successors, by these Presents, do Give and Grant the fullest Power and Authority) exercise Martial Law as freely, and in as ample Manner and Form, as any Captain-General of any Army, by virtue of his Office may, or hath accustomed to use the same, against the seditious Authors of Innovations in those Parts, withdrawing themselves from the Government of him or them, refusing to serve in War, flying over to the Enemy, exceeding their Leave of Absence, Deserters, or otherwise howsoever offending against the Rule, Law, or Discipline of War.

XIV. MOREOVER, lest in so remote and far distant a Region, every Access to Honours and Dignities may seem to be precluded, and utterly barred to Men well born, who are preparing to engage in the present Expedition, and desirous of deserving well, both in Peace and War, of US, and our Kingdoms; for this Cause, We, for US, our Heirs and Successors, do give free and plenary Power to the aforesaid now Baron of BALTIMORE, and to his Heirs and Assigns, to confer Favours, Rewards, Honours, upon such Subjects, inhabiting within the PROVINCE aforesaid, as shall be well deserving, and to adorn them with whatsoever Titles and Dignities they shall appoint; (so that they be not such as are now used in *England*) also to erect and incorporate Towns into Burroughs, and Burroughs into CITIES, with suitable Privileges and Immunities, according to the Merits of the Inhabitants, and Convenience of the places; and to do all and singular other Things in the Premises, which to him or them shall seem fitting and convenient; even although they shall be such as in their own Nature, require a more special Commandment and War-rant than in these Presents may be expressed.

XV. WE WILL also, and by these Presents do, for US, our Heirs and Successors, give and grant License by this our CHARTER, unto the aforesaid now Baron of BALTIMORE, his Heirs and Assigns, and to all Persons whatsoever, who are, or shall be, Residents and Inhabitants of the PROVINCE aforesaid, freely to import and unlade, by themselves, their Servants, Factors or Assigns, all Wares and Merchandizes whatsoever, which shall be collected out of the Fruits and Commodities of the said PROVINCE, whether the Product of the Land or the Sea, into any of the Ports whatsoever of US, our Heirs and Successors, of *England* or *Ireland*, or otherwise to dispose of the same there; and, if Need be, within One Year, to be computed immediately from the Time of unlading thereof, to lade the same Merchandizes again in the same or other Ships, and to export the same to any other Countries they shall think proper, whether belonging to US, or any foreign Power, which shall be in Amity with US, our Heirs or Successors; Provided always, that they be bound to pay for the same to US, our Heirs and Successors, such Customs and Impositions, Subsidies and Taxes, as our other Subjects of the Kingdom of *England*, for the Time being shall be bound to pay, beyond which WE WILL that the Inhabitants of the aforesaid PROVINCE of the said Land, called MARYLAND, shall not be burdened.

XVI. AND FURTHERMORE, of our more ample special

Grace, and of our certain Knowledge, and mere Motion, WE do for US, our Heirs and Successors, grant unto the aforesaid now Baron of BALTIMORE, his Heirs and Assigns, full and absolute Power and Authority to make, erect and constitute, within the PROVINCE of MARYLAND, and the Islands and Islets aforesaid, such, and so many Sea-Ports, Harbours, Creeks, and other Places of Unlading and Discharge of Goods and Merchandize out of Ships, Boats and other Vessels, and of Lading in the same, and in so many, and such places, and with such rights, Jurisdictions, liberties and privileges, unto such Ports respecting, as to him or them shall seem most expedient: And, that all and every the Ships, Boats and other Vessels whatsoever, coming to, or going from the PROVINCE aforesaid, for the Sake of Merchandizing, shall be laden and unladen at such Ports only as shall be so erected and constituted by the said now Baron of BALTIMORE, his Heirs and Assigns, and Usage, Custom, or any other Thing whatsoever to the contrary notwithstanding, SAVING always to US, our Heirs and Successors, and to all the Subjects of our Kingdoms of *England* and *Ireland*, of US, our Heirs and Successors, the Liberty of Fishing for Sea-Fish as well in the Sea, Bays, Straits and navigable Rivers, as in the Harbours, Bays, and Creeks of the PROVINCE aforesaid; and the Privilege of Salting and Drying Fish on the Shores of the same PROVINCE, and for that Cause, to cut down and take Hedging-Wood and Twigs there growing, and to build Huts and Cabbins, necessary in this Behalf in the same Manner as heretofore they reasonably might, or have used to do. Which Liberties and Privileges, the said Subject of US, our Heirs and Successors shall enjoy without notable Damage or Injury in any wise to be done to the aforesaid now Baron of BALTIMORE, his Heirs or Assigns, or to the Residents and Inhabitants of the same PROVINCE in the Ports, Creeks and Shores aforesaid, and especially in the Woods and Trees there growing. And if any Person shall do damage or Injury of this kind he shall incur the Peril and Pain of the heavy Displeasure of US, our Heirs and Successors, and of the due Chastisement of the Laws, besides making Satisfaction.

XVII. MOREOVER, WE will, appoint, and ordain and by these Presents, or US, our Heirs and Successors, do grant unto the aforesaid now Baron of BALTIMORE, his Heirs and Assigns, that the same Baron of BALTIMORE, his Heirs and Assigns, from Time to Time, for ever, shall have, and enjoy the Taxes and Subsidies payable, or arising within the Ports, Harbours and other Creeks and Places

aforesaid, within the PROVINCE aforesaid, for Wares bought and sold, and Things there to be laden and unladen, to be reasonably assessed by them, and the People there as aforesaid, on emergent Occasion; to whom WE grant Power and by these Presents, for US, our Heirs and Successors to assess and impose the said Taxes and Subsidies there, upon just Cause, and in due Proportion.

XVIII. AND FURTHERMORE, of our special Grace and certain Knowledge, and mere Motion, WE have given, granted and confirmed, and by these Presents, for US, our Heirs and Successors, do give, grant, and confirm, unto the aforesaid now Baron of BALTIMORE, his Heirs and Assigns, full and absolute License, Power and Authority that he, the aforesaid now Baron of BALTIMORE, his Heirs and Assigns, from Time to Time, hereafter, for ever, may and can, at his or their Will and Pleasure, assign, alien, grant, demise, or enfeoff so many, such and proportionate Parts and Parcels of the Premises, to any Person or Persons, willing to purchase the same, as they shall think convenient, to have and to hold to the same Person or Persons willing to take or purchase the same, and his and their Heirs and Assigns, in Fee-Simple, of Fee-tail, or for Term of Life, Lives or Years; to hold of the aforesaid now Baron of BALTIMORE, his Heirs and Assigns, by so many, such and so great Services, Customs and Rents OF THIS KIND, as to the same now Baron of BALTIMORE, his Heirs and Assigns, shall seem fit and agreeable, and not immediately of US, our Heirs or Successors. And WE do give, and by these Presents, for US, our Heirs or Successors, do grant to the same Person and Persons, and to each and every of them, License, Authority and Power, that such Person or Persons, may take the premises, or any Parcel thereof, of the aforesaid now Baron of BALTIMORE, his Heirs and Assigns, and hold the same to them and their Assigns, or their Heirs of the aforesaid Baron of BALTIMORE, his Heirs and Assigns of what Estate of Inheritance soever, in Fee-Simple or Fee-tail, or otherwise, as to them and the now Baron of BALTIMORE, his Heirs and Assigns, shall seem expedient; the Statute made in the Parliament of Lord EDWARD, son of King HENRY, the late King of *England*, our Progenitor, commonly called the "STATUTE QUIA EMPTORES TERRARUM," heretofore published in our Kingdom of *England*, or any other Statute, Act, Ordinance, Usage, Law, or Custom, or any other Things, Cause, or Matter, to the contrary thereof, heretofore had, done, published, ordained or provided to the contrary thereof notwithstanding.

XIX. WE, also, by these Presents, do give and grant License to the same Baron of BALTIMORE, and to his Heirs, to erect any Parcels of Land within the PROVINCE aforesaid, into Manors, and in every of those Manors, to have and to hold a Court-Baron, and all Things which to a Court-Baron do belong: and to have and to keep View of Frank-Pledge, for the Conservation of the Peace and Better Government of those Parts, by themselves and their Stewards, or by the Lords, for the Time being to be deputed, of other of those Manors, when they shall be constituted, and in the same to exercise all Things to the View of Frank-Pledge belonging.

XX. AND FURTHER, WE will, and do, by these Presents, for US, our Heirs and Successors, covenant and grant to, and with the aforesaid now Baron of BALTIMORE, his Heirs and Assigns, that We, our Heirs and Successors, at no Time hereafter will impose, or make or cause to be imposed, any Impositions, Customs, or other Taxations, Quotas or Contributions whatsoever, in or upon the Residents or Inhabitants of the PROVINCE aforesaid, for their Goods, Lands, or Tenements within the same PROVINCE, or upon any tenements, lands, goods of chattels within the PROVINCE, aforesaid, or in or upon any Goods or Merchandizes within the PROVINCE aforesaid, or within the Ports or Harbours of the said PROVINCE, to be laden or unladen: And WE Will and do, for US, our Heirs and Successors, enjoin and command that this our Declaration shall from Time to Time, be received and allowed in all our Courts and Prætorian Judicatories, and before all the Judges whatsoever of US, our Heirs and Successors, for a sufficient and lawful Discharge, Payment and Acquittance thereof, charging all and singular the Officers and Ministers of US, our Heirs and Successors, and enjoining them, under our heavy Displeasure, that they do not at any Time presume to attempt any Thing to the contrary of the Premises, or that may in any wise contravene the same, but that they, at all Times as is fitting, do aid and assist the aforesaid now Baron of BALTIMORE, and his Heirs, and the aforesaid Inhabitants and Merchants of the PROVINCE of MARYLAND aforesaid, and their Servants and Ministers, Factors and Assigns, in the fullest Use and Enjoyment of this our CHARTER.

XXI. AND FURTHERMORE WE WILL, and by these Presents, for US, our Heirs and Successors, do grant unto the aforesaid now Baron of BALTIMORE, his Heirs and Assigns and to the Freeholders and Inhabitants of the said PROVINCE, both present and to come, and to every of them,

that the said PROVINCE and the Freeholders or Inhabitants of the said Colony or Country, shall not henceforth be held or reputed a member or Part of the Land of *Virginia* or of any other Colouy already transported, or heerafter to be transported, or to be dependent on the same, or subordinate in any kind of Government, from which WE do separate both the said PROVINCE, and Inhabitants thereof, and by these presents do WILL to be distinct, and that they may be immediately subject to our Crown of *England*, and dependent on the same for ever.

XXII. AND if, peradventure, hereafter it may happen that any Doubts or Questions should arise concerning the true Sense and Meaning of any Word, Clause or Sentence, contained in this our present CHARTER, WE will, charge and command, THAT Interpretation to be applied, always, and in all Things, and in all our Courts and Judicatories whatsoever, to obtain which shall be judged to be the more beneficial, profitable, and favourable to the aforesaid now Baron of BALTIMORE, his Heirs and Assigns: PROVIDED always that no Interpretation thereof be made, whereby GOD'S holy and true Christian Religion, or the Allegiance due to US, our Heirs and Successors, may in any wise suffer by Change, Prejudice, or Diminution; although express Mention be not made in these Presents of the true yearly Value or Certainty of the Premises, or any Part thereof, or of other Gifts and Grants made by US, our Heirs and Predecessors, unto the said now Lord BALTIMORE, or any Statute, Act, Ordinance, Provision, Proclamation or Restraint heretofore had, made, published, ordained or provided, or any other Thing, Cause or Matter Whatsoever, to the contrary thereof in any wise notwithstanding.

CONSTITUTION OF MARYLAND

ADOPTED BY THE CONVENTION

WHICH ASSEMBLED AT THE CITY OF ANNAPOLIS ON THE EIGHTH DAY OF MAY, EIGHTEEN HUNDRED AND SIXTY-SEVEN, AND ADJOURNED ON THE SEVENTEENTH DAY OF AUGUST, EIGHTEEN HUNDRED AND SIXTY-SEVEN, AND RATIFIED BY THE PEOPLE ON THE EIGHTEENTH DAY OF SEPTEMBER, EIGHTEEN HUNDRED AND SIXTY-SEVEN, WITH AMENDMENTS TO AND INCLUDING NINETEEN HUNDRED AND TWENTY-FOUR.

DECLARATION OF RIGHTS

We, the people of the State of Maryland, grateful to Almighty God for our civil and religious liberty, and taking into our serious consideration the best means of establishing a good Constitution in this State for the sure foundation and more permanent security thereof, declare:

Article 1. That all Government of right originates from the People, is founded in compact only, and instituted solely for the good of the whole; and they have, at all times, the inalienable right to alter, reform or abolish their form of Government in such manner as they may deem expedient.

Art. 2. The Constitution of the United States, and the Laws made or which shall be made in pursuance thereof, and all Treaties made, or which shall be made, under the authority of the United States, are and shall be the Supreme Law of the State; and the Judges of this State, and all the People of this State, are, and shall be bound thereby, anything in the Constitution or Law of this State to the contrary notwithstanding.

Art. 3. The powers not delegated to the United States by the Constitution thereof, nor prohibited by it to the States, are reserved to the States respectively, or to the People thereof.

Art. 4. That the People of this State have the sole and exclusive right of regulating the internal government and police thereof as a free, sovereign and independent State.

Art. 5. That the inhabitants of Maryland are entitled to the Common Law of England, and the trial by Jury, according to the course of that law, and to the benefit of such of the English statutes as existed on the Fourth day

of July, seventeen hundred and seventy-six; and which, by experience, have been found applicable to their local and other circumstances, and have been introduced, used and practised by the Courts of Law or Equity; and also of all Acts of Assembly in force on the first day of June, eighteen hundred and sixty-seven; except such as may have since expired, or may be inconsistent with the provisions of this Constitution; subject, nevertheless, to the revision of, and amendment or repeal by, the Legislature of this State. And the Inhabitants of Maryland are also entitled to all property derived to them from or under the Charter granted by His Majesty, Charles the First, to Cæcilius Calvert, Baron of Baltimore.

Art. 6. That all persons invested with the Legislative or Executive powers of Government are Trustees of the Public, and as such, accountable for their conduct: Wherefore, whenever the ends of Government are perverted, and public liberty manifestly endangered, and all other means of redress are ineffectual, the People may, and of right ought to reform the old, or establish a new Government, the doctrine of nonresistance against arbitrary power and oppression is absurd, slavish and destructive of the good and happiness of mankind.

Art. 7. That the right of the People to participate in the Legislature is the best security of liberty and the foundation of all free Government; for this purpose elections ought to be free and frequent, and every white* male** citizen having the qualifications prescribed by the Constitution, ought to have the right of suffrage.

Art. 8. That the Legislative, Executive and Judicial powers of Government ought to be forever separate and distinct from each other; and no person exercising the functions of one of said Departments shall assume or discharge the duties of any other.

Art. 9. That no power of suspending Laws or the execution of Laws, unless by, or derived from the Legislature, ought to be exercised, or allowed.

Art. 10. That freedom of speech and debate, or proceedings in the Legislature, ought not to be impeached in any Court of Judicature.

Art. 11. That Annapolis be the place of meeting of the Legislature; and the Legislature ought not to be convened, or held at any other place but from evident necessity.

* The word "white" omitted under the 15th Amendment to the Constitution of the United States.

** The word "male" became inoperative under the 19th Amendment to the Constitution of the United States.

Art. 12. That for redress of grievances, and for amending, strengthening, and for preserving the laws, the Legislature ought to be frequently convened.

Art. 13. That every man hath a right to petition the Legislature for the redress of grievances in a peaceful and orderly manner.

Art. 14. That no aid, charge, tax, burthen or fees ought to be rated, or levied, under any pretense, without the consent of the Legislature.

*Art. 15. That the levying of taxes by the poll is grievous and oppressive and ought to be prohibited; that paupers ought not to be assessed for the support of the government; that the General Assembly shall, by uniform rules, provide for separate assessment of land and classification and sub-classifications of improvements on land and personal property, as it may deem proper; and all taxes thereafter provided to be levied by the State for the support of the general State Government, and by the counties and by the City of Baltimore for their respective purposes, shall be uniform as to land within the taxing district, and uniform within the class or sub-class of improvements on land and personal property which the respective taxing powers may have directed to be subjected to the tax levy; yet fines duties or taxes may properly and justly be imposed, or laid with a political view for the good government and benefit of the community.

Art. 16. That sanguinary Laws ought to be avoided as far as it is consistent with the safety of the State; and no Law to inflict cruel and unusual pains and penalties ought to be made in any case, or at any time, hereafter.

Art. 17. That retrospective Laws, punishing acts committed before the existence of such Laws, and by them only declared criminal are oppressive, unjust and incompatible with liberty; wherefore, no *ex post facto* Law ought to be made; nor any retrospective oath or restriction be imposed or required.

Art. 18. That no Law to attain particular persons of treason or felony, ought to be made in any case, or at any time, hereafter.

Art. 19. That every man, for any injury done to him in his person or property ought to have remedy by the course of the Law of the Land, and ought to have justice and right, freely without sale, fully without any denial, and speedily without delay, according to Law of the Land.

* Thus amended by Chapter 390, 1914. Ratified November 2, 1915.

Art. 20. That the trial of facts, where they arise, is one of the greatest securities of the lives, liberties and estate of the People.

Art. 21. That in all criminal prosecutions, every man hath a right to be informed of the accusation against him; to have a copy of the Indictment, or Charge in due time (if required) to prepare for his defence; to be allowed counsel; to be confronted with the witnesses against him; to have process for his witnesses; to examine the witnesses for and against him on oath; and to a speedy trial by an impartial jury, without whose unanimous consent he ought not to be found guilty.

Art. 22. That no man ought to be compelled to give evidence against himself in a criminal case.

Art. 23. That no man ought to be taken or imprisoned or disseized of his freehold, liberties or privileges, or outlawed, or exiled, or in any manner destroyed, or deprived of his life, liberty or property, but by the judgment of his peers, or by the Law of the Land.

Art. 24. That slavery shall not be re-established in this State; but, having been abolished, under the policy and authority of the United States compensation, in consideration thereof, is due from the United States.

Art. 25. That excessive bail ought not to be required, nor excessive fines imposed, nor cruel or unusual punishment inflicted by the Courts of Law.

Art. 26. That all warrants, without oath or affirmation, to search suspected places, or to seize any person or property, are grievous and oppressive; and all general warrants to search suspected places, or to apprehend suspected persons, without naming or describing the place, or the person in special, are illegal, and ought not to be granted.

Art. 27. That no conviction shall work corruption of blood or forfeiture of estate.

Art. 28. That a well regulated Militia is the proper and natural defence of a free government.

Art. 29. That Standing Armies are dangerous to liberty, and ought not to be raised, or kept up, without the consent of the Legislature.

Art. 30. That in all cases, and at all times, the military ought to be under strict subordination to, and control of, the civil power.

Art. 31. That no soldier shall, in time of peace, be quartered in any house, without the consent of the owner, nor in time of war, except in the manner prescribed by Law.

Art. 32. That no person except regular soldiers, marines, and mariners in the service of this State, or militia, when in actual service, ought, in any case, to be subject to, or punishable by Martial Law.

Art. 33. That the independency and uprightness of Judges are essential to the impartial administration of Justice, and a great security to the rights and liberties of the People; wherefore, the Judges shall not be removed, except in the manner, and for the causes, provided in this Constitution. No Judge shall hold any other office, civil military or political trust, or employment of any kind whatsoever, under the Constitution or Laws of this State, or of the United States, or any of them; or receive fees, or perquisites of any kind, for the discharge of his official duties.

Art. 34. That a long continuance in the Executive Departments of power or trust is dangerous to liberty; a rotation, therefore, in those Departments is one of the best securities of permanent freedom.

Art. 35. That no person shall hold, at the same time more than one office of profit, created by the Constitution or Laws of this State; nor shall any person in public trust receive any present from any foreign Prince or States, or from the United States, or any of them, without the approbation of this State.

Art. 36. That as it is the duty of every man to worship God in such manner as he thinks most acceptable to Him, all persons are equally entitled to protection in their religious liberty; wherefore, no person ought, by any law to be molested in his person or estate, on account of his religious persuasion or profession, or for his religious practice, unless, under the color of religion, he shall disturb the good order, peace or safety of the State, or shall infringe the laws of morality, or injure others in their natural, civil or religious rights; nor ought any person to be compelled to frequent, or maintain, or contribute, unless on contract, to maintain any place of worship or any ministry; nor shall any person, otherwise competent, be deemed incompetent as a witness, or juror, on account of his religious belief; provided, he believes in the existence of God, and that under His dispensation such person will be held morally accountable for his acts, and be rewarded or punished therefor in this world or the world to come.

Art. 37. That no religious test ought ever to be required as a qualification for any office of profit or trust in this State, other than a declaration of belief in the existence of God; nor shall the legislature prescribe any other oath of office than the oath prescribed by this Constitution.

Art. 38. That every gift, sale or devise of land to any Minister, Public Teacher or Preacher of the Gospel, as such, or to any Religious Sect, Order or Denomination, or to, or for the support, use or benefit of, or in trust for, any Minister, Public Teacher or Preacher of the Gospel, as such, or any Religious Sect, Order or Denomination; and every gift or sale of goods, chattels, to go in succession, or to take place after the death of the Seller or Donor, to or for such support, use or benefit; and also every devise of goods or chattels to or for the support, use or benefit of any Minister, Public Teacher or Preacher of the Gospel, as such, or any Religious Sect, Order or Denomination, without the prior or subsequent sanction of the Legislature, shall be void; except always, any sale, gift, lease or devise of any quantity of land, not exceeding five acres, for a church, meeting-house, or other house of worship, or parsonage, or for a burying-ground, which shall be improved, enjoyed or used only for such purpose; or such sale, gift, lease or devise shall be void.

Art. 39. That the manner of administering the oath or affirmation to any person ought to be such as those of the religious persuasion, profession, or denomination, of which he is a member, generally esteem the most effectual confirmation by the attestation of the Divine Being.

Art. 40. That the liberty of the press ought to be inviolably preserved; that every citizen of the State ought to be allowed to speak, write and publish his sentiments on all subjects, being responsible for the abuse of that privilege.

Art. 41. That monopolies are odious, contrary to the spirit of a free government and the principles of commerce, and ought not to be suffered.

Art. 42. That no title or hereditary honors ought to be granted in this State.

Art. 43. That the Legislature ought to encourage the diffusion of knowledge and virtue, the extension of a judicious system of general education, the promotion of literature, the arts, sciences, agriculture, commerce and manufactures, and the general amelioration of the condition of the people.

Art. 44. That the provisions of the Constitution of the United States, and of this State, apply as well in time of war as in time of peace; and any departure therefrom, or violation thereof, under the plea of necessity, or any other plea, is subversive of good government and tends to anarchy and despotism.

Art. 45. This enumeration of Rights shall not be construed to impair or deny others retained by the People.

SEC. 3. If any person shall give, or offer to give, directly or indirectly, any bribe, present or reward, or any promise, or any security, for the payment or delivery of money, or any other thing, to induce any voter to refrain from casting his vote, or to prevent him in any way from voting, or to procure a vote for any candidate or person proposed, or voted for as an elector of President and Vice-President of the United States, or Representative in Congress or for any office of profit or trust, created by the Constitution or Laws of this State, or by the Ordinances, or authority of the Mayor and City Council of Baltimore, the person giving, or offering to give and the person receiving the same, and any person who gives or causes to be given, an illegal vote, knowing it to be such, at any election be hereafter held in this State, shall, on conviction in a Court of Law, in addition to the penalties now or hereafter to be imposed by law, be forever disqualified to hold any office of profit or trust, or to vote at any election thereafter.

But the General Assembly may, in its discretion, remove the above penalty and all other penalties upon the vote seller so as to place the penalties for the purchase of votes on the vote buyer alone.*

SEC. 4. It shall be the duty of the General Assembly to pass Laws to punish, with fine and imprisonment, any person who shall remove into any election district or precinct of any ward of the city of Baltimore, not for the purpose of acquiring a *bona fide* residence therein, but for the purpose of voting at an approaching election, or who shall vote in any election district or ward in which he does not reside (except in the case provided for in this Article), or shall, at the same election, vote in more than one election district, or precinct, or shall vote, or offer to vote, in any name not his own, or in place of any other person of the same name, or shall vote in any county in which he does not reside.

SEC. 5. ARTICLE II.

EXECUTIVE DEPARTMENT.

SECTION 1. The executive power of the State will be vested in a Governor, whose term of office shall commence on the second Wednesday of January next ensuing his elec-

tion, and continue for four years, and until his successor shall have qualified; but the Governor chosen at the first election under this Constitution shall not enter upon the discharge of the duties of the office until the expiration of the term for which the present incumbent was elected; unless the said office shall become vacant by death, resignation, removal from the State, or other disqualification of the said incumbent.

SEC. 2. An election for Governor, under this Constitution, shall be held on the Tuesday next after the first Monday of November, in the year eighteen hundred and sixty-seven, and on the same day and month in every fourth year thereafter, at the places for voting for delegates to the General Assembly;¹ and every person qualified to vote for Delegates shall be qualified and entitled to vote for Governor; the election to be held in the same manner as the election of Delegates, and the returns thereof under seal to be addressed to the Speaker of the House of Delegates, and enclosed and transmitted to the Secretary of State, and delivered to said Speaker, at the commencement of the session of the General Assembly next ensuing said election.

SEC. 3. The Speaker of the House of Delegates shall then open the said returns in the presence of both Houses; and the person having the highest number of votes, and being constitutionally eligible, shall be the Governor, and shall qualify, in the manner herein prescribed, on the second Wednesday of January next ensuing his election, or as soon thereafter as may be practicable.

SEC. 4. If two or more persons shall have the highest and an equal number of votes for Governor, one of them shall be chosen Governor by the Senate and House of Delegates, and all questions in relation to the eligibility of Governor, and to the returns of said election, and to the number and legality of voters therein given, shall be determined by the House of Delegates; and if the person or persons, having the highest number of votes, be ineligible, the Governor shall be chosen by the Senate and House of Delegates. Every election of Governor by the General Assembly shall be determined by a joint majority of the Senate and House of Delegates, and the vote shall be taken *viva voce*. But if two or more persons shall have the highest and an equal number of votes, then a second vote shall be taken, which shall be confined to the persons having an equal number; and if the vote should again be equal, then the election of Governor shall be determined by lot between those who shall have the highest and an equal number on the first vote.

¹Amended by Article XVII, Sections 2 and 3.

SEC. 5. A person to be eligible to the office of Governor must have attained the age of thirty years, and must have been for ten years a citizen of the State of Maryland, and for five years next preceding his election a resident of the State, and, at the time of his election, a qualified voter therein.

SEC. 6. In the case of death or resignation of the Governor, or of his removal from the State, or other disqualification, the General Assembly, if in session, or if not, at their next session, shall elect some other qualified person to be Governor for the residue of the term for which the said Governor had been elected.

SEC. 7. In case of any vacancy in the office of Governor, during the recess of the Legislature, the President of the Senate shall discharge the duties of said office, until a Governor is elected, as herein provided for; and in case of the death or resignation of the said President, or of his removal from the State, or of his refusal to serve, then, the duties of said office shall, in like manner, and for the same interval, devolve upon the Speaker of the House of Delegates. And the Legislature may provide by Law, for the impeachment of the Governor; and in case of his conviction, or his inability, may declare what person shall perform the Executive duties; and for any vacancy in said office not herein provided for, provision may be made by Law; and if such vacancy should occur without such provision being made, the Legislature shall be convened by the Secretary of State for the purpose of filling said vacancy.

SEC. 8. The Governor shall be the Commander-in-Chief of the land and naval forces of the State; and may call out the Militia to repel invasions, suppress insurrections, and enforce the execution of the Laws; but shall not take the command in person, without the consent of the Legislature.

SEC. 9. He shall take care that the Laws are faithfully executed.

SEC. 10. He shall nominate, and by and with the advice and consent of the Senate, appoint all civil and military officers of the State, whose appointment or election is not otherwise herein provided for; unless a different mode of appointment be prescribed by the law creating the office.

SEC. 11. In case of any vacancy during the recess of the Senate, in any office which the Governor has power to fill, he shall appoint some suitable person to said office, whose commission shall continue in force until the end of the next session of the Legislature, or until some other person is appointed to the same office, whichever shall first occur;

and the nomination of the person thus appointed during the recess, or of some other person in his place, shall be made to the Senate within thirty days after the next meeting of the Legislature.

SEC. 12. No person, after being rejected by the Senate, shall be again nominated for the same office at the same session, unless at the request of the Senate; or be appointed to the same office during the recess of the Legislature.

SEC. 13. All civil officers appointed by the Governor and Senate, shall be nominated to the Senate within fifty days from the commencement of each regular session of the Legislature; and their term of office, except in cases otherwise provided for in this Constitution, shall commence on the first Monday of May next ensuing their appointment, and continue for two years, (unless removed from office), and until their successors, respectively, qualify according to Law; but the term of office of the Inspectors of Tobacco shall commence on the first Monday of March next ensuing their appointment.

SEC. 14. If a vacancy shall occur during the session of the Senate, in any office which the Governor and Senate have the power to fill, the Governor shall nominate to the Senate, before its final adjournment, a proper person to fill said vacancy, unless such vacancy occurs within ten days before said final adjournment.

SEC. 15. SEC. 14. The General Assembly shall meet on the first Wednesday of January, eighteen hundred and sixty-eight, and on the same day in every second year thereafter, and at no other time, unless convened by Proclamation of the Governor.¹

¹Amended by Article XVII, Section 6.

SEC. 15. The General Assembly may continue its session so long as in its judgment the public interest may require, for a period not longer than ninety days; and each member thereof shall receive a compensation of five dollars per diem for every day he shall attend the session, but not for such days as he may be absent, unless absent on account of sickness or by leave of the House of which he is a member; and he shall also receive such mileage as may be allowed by law, not exceeding twenty cents per mile; and the presiding officer of each House shall receive an additional compensation of three dollars per day. When the General Assembly shall be convened by Proclamation of the Governor, the session shall not continue longer than thirty days, and in such case the compensation shall be the same as herein prescribed.

SEC. 20. A majority of the whole number of members elected to each House shall constitute a quorum for the transaction of business; but a smaller number may adjourn from day to day, and compel the attendance of absent members in such manner and under such penalties as each House may prescribe.

SEC. 21. The doors of each House and of the Committee of the Whole shall be open, except when the business is such as ought to be kept secret.

SEC. 22. Each House shall keep a Journal of its proceedings, and cause the same to be published. The yeas and nays of members on any question shall, at the call of any five of

them in the House of Delegates, or one in the Senate, be entered on the Journal.

SEC. 23. All impeachments shall be tried by the Senate, and when sitting for that purpose the Senators shall be on oath or affirmation to do justice according to the law and the evidence; but no person shall be convicted without the concurrence of two-thirds of all the Senators elected.

SEC. 27. Any bill may originate in either House of the General Assembly and be altered, amended or rejected by the

other, but no bill shall originate in either House during the last ten days of the session, unless two-thirds of the members elected thereto shall so determine by yeas and nays; nor shall any bill become a law until it be read on three different days of the session in each House, unless two-thirds of the members elected to the House where such bill is pending shall so determine by yeas and nays, and no bill shall be read a third time until it shall have been actually engrossed or printed for a third reading.*

Third. The second part shall be designated "General Appropriations," and shall include all other estimates of appropriations.

The Governor shall deliver to the presiding officer of each House the budgets and a bill for all the proposed appropriations of the budgets clearly itemized and classified; and the presiding officer of each House shall promptly cause said bill to be introduced therein, and such bill shall be known as the "Budget Bill." The Governor may, before final action thereon by the General Assembly, amend or supplement either of said budgets to correct an oversight or in case of an emergency, with the consent of the General Assembly by delivering such an amendment or supplement to the presiding offi-

cers of both Houses; and such amendment or supplement shall thereby become a part of said budget bill as an addition to the items of said bill or as a modification of or a substitute for any item of said bill such amendment or supplement may effect.

The General Assembly shall not amend the budget bill so as to affect either the obligations of the State under Section 34 of Article III of the Constitution, or the provisions made by the laws of the State for the establishment and maintenance of a system of public schools, or the payment of any salaries required to be paid by the State of Maryland by the Constitution thereof; and the General Assembly may amend the bill by increasing or diminishing the items therein relating to the General Assembly, and by increasing the items therein relating to the judiciary, but except as hereinbefore specified, may not alter the said bill except to strike out or reduce items therein, provided, however, that the salary or compensation of any public officer shall not be decreased during his term of office; and such bill when and as passed by both Houses shall be a law immediately without further action by the Governor.

Fourth. The Governor and such representatives of the executive departments, boards, officers and commissions of the State expending or applying for State's money, as have been designated by the Governor for this purpose, shall have the right, and when requested by either House of the Legislature, it shall be their duty to appear and be heard with respect to any budget bill during the consideration thereof, and to answer inquiries relative thereto.

Sub-Section C: Supplementary Appropriation Bills:— Neither House shall consider other appropriations until the Budget Bill has been finally acted upon by both Houses, and no such other appropriation shall be valid except in accordance with the provisions following: (1) Every such appropriation shall be embodied in a separate bill limited to some single work, object or purpose therein stated and called herein a Supplementary Appropriation Bill; (a) Each Supplementary Appropriation Bill shall provide the revenue necessary to pay the appropriation thereby made by a tax, direct or indirect, to be laid and collected as shall be directed in said Bill; (3) No Supplementary Appropriation Bill shall become a law unless it be passed in each House by a vote of a majority of the whole number of the members elected; and the yeas and nays recorded on its final passage; (4) Each Supplementary Appropriation Bill shall be presented to the Governor of the State as provided in Section 17 of Article II

of the Constitution and thereafter all the provisions of said Section shall apply.

Nothing in this amendment shall be construed as preventing the Legislature from passing at any time in accordance with the provisions of Section 28 of Article III of the Constitution and subject to the Governor's power of approval as provided in Section 17 of Article II of the Constitution an appropriation bill to provide for the payment of any obligation of the State of Maryland within the protection of Section 10 of Article 1 of the Constitution of the United States.

Sub-Section D: General Provisions:—First. If the Budget Bill shall not have been finally acted upon by the Legislature three days before the expiration of its regular session, the Governor may, and it shall be his duty to issue a proclamation extending the session for such further period as may, in his judgment, be necessary for the passage of such bill; but no other matter than such bill shall be considered during such extended session except a provision for the cost thereof.

Second. The Governor for the purpose of making up his budgets shall have the power, and it shall be his duty, to require from the proper State officials, including herein all executive departments, all executive and administrative offices, bureaus, boards, commissions and agencies expending or supervising the expenditure of, and all institutions applying for State moneys and appropriations, such itemized estimates and other information, in such form and at such times as he shall direct. The estimates for the Legislative Department, certified by the presiding officer of each House, of the Judiciary, as provided by law, certified by the Comptroller, and for the public schools, as provided by law, shall be transmitted to the Governor, in such form and at such times as he shall direct, and shall be included in the budget without revision.

The Governor may provide for public hearings on all estimates and may require the attendance at such hearings of representatives of all agencies, and of all institutions applying for State moneys. After such public hearings he may, in his discretion, revise all estimates except those for the legislative and judiciary departments, and for the public schools as provided by law.

Third. The Legislature may, from time to time, enact such laws not inconsistent with this Section, as may be necessary and proper to carry out its provisions.

Fourth. In the event of any inconsistency between any of the provisions of this Section and any of the other provisions of the Constitution, the provisions of this Section shall pre-

vail. But nothing herein shall in any manner affect the provisions of Section 34 of Article III of the Constitution or of any laws heretofore or hereafter passed in pursuance thereof, or be construed as preventing the Governor from calling extraordinary sessions of the Legislature, as provided by Section 16 of Article II, or as preventing the Legislature at such extraordinary sessions from considering any emergency appropriation or appropriations.

If any item of any appropriation bill passed under the provisions of this Section shall be held invalid upon any ground, such invalidity shall not affect the legality of the bill or of any other item of such bill or bills.*

SEC. 54. No county of this State shall contract any debt, or obligation, in the construction of any railroad, canal, or other work of internal improvement, nor give, or loan its credit to or in aid of any association, or corporation, unless authorized by an Act of the General Assembly, which shall be published for two months before the next election for members of the House of Delegates in the newspapers published in such county, and shall also be approved by a majority of all the members elected to each House of the General Assembly, at its next session after said election.

The process and official character of Justices of the Peace shall be authenticated as hath heretofore been practiced in this State, or may hereafter be prescribed by law.

SEC. 2. The judges of all of the said courts shall be citizens of the State of Maryland, and qualified voters under this Constitution, and shall have resided therein not less than five years, and not less than six months next preceding their election or appointment in the judicial circuit, as the case may be, for which they may be respectfully elected or appointed. They shall be not less than thirty years of age at the time of their election or appointment, and shall be selected from those who have been admitted to practice law in this State, and who are most distinguished for integrity, wisdom and sound legal knowledge.

SEC. 3. The judges of the said several courts shall be elected in the counties by the qualified voters in their respective judicial circuits as hereinafter provided, at the general election to be held on the Tuesday after the first Monday in November next, and in the city of Baltimore, on the fourth Wednesday of October next. Each of the said judges shall hold his office for the term of fifteen years from the time of his election, and until his successor is elected and qualified, or until he shall have attained the age of seventy years, whichever may first happen, and be re-eligible thereto until he shall have attained the age of seventy years, and not after: but in case of any judge who shall attain the age of seventy years whilst in office, such judge may be continued in office by the General Assembly for such further time as they

may think fit, not to exceed the term for which he was elected, by a resolution to be passed at the session next preceding his attaining said age. In case of the inability of any of said judges to discharge his duties with efficiency, by reason of continued sickness, or of physical or mental infirmity, it shall be in the power of the General Assembly, two-thirds of the members of each House concurring, with the approval of the Governor, to retire such judge from office.

SEC. 4. Any judge shall be removed from office by the Governor, on conviction in a court of law of incompetency, of wilful neglect of duty, misbehavior in office or any other crime, or on impeachment, according to this Constitution, or the laws of the State; or on the address of the General Assembly, two-thirds of each House concurring in such address, and the accused having been notified of the charges against him, and having had opportunity of making his defence.

SEC. 5. After the election for judges, as hereinbefore provided, there shall be held in this State, in every fifteenth year thereafter, on the Tuesday after the first Monday in November of such year, an election for judges as herein provided; and in case of death, resignation, removal or disqualification by reason of age or otherwise of any judge, the Governor shall appoint a person duly qualified to fill said office, who shall hold the same until the next general election for members of the General Assembly, when a successor shall be elected, whose term of office shall be the same as hereinbefore provided, and upon the expiration of the term of fifteen years for which any judge may be elected to fill a vacancy, an election for his successor shall take place at the next general election for members of the General Assembly to occur upon or after the expiration of his said term; and the Governor shall appoint a person duly qualified to hold said office from the expiration of such term of fifteen years until the election and qualification of his successor.*

SEC. 9. The judge or judges of any court may appoint such officers for their respective courts as may be found necessary; and such officers of the Courts in the city of Baltimore shall be appointed by the judges of the Supreme Bench of Baltimore city. 16. The inhabitants of the City of Baltimore qualified to vote for members of the House of Delegates shall, on the Tuesday next after the first Monday in May, eighteen hundred and ninety-nine, and on the same day and month in every fourth year thereafter, elect by ballot a person of known integrity, experience and sound judgment, over twenty-five years of age, a citizen of the United States, and five years a resident of said City next preceding the election, and assessed with property in said City to the amount of two thousand dollars, and who has paid taxes thereon for two years preceding his election, to be Mayor of the City of Baltimore; but the Mayor chosen at the first election under this section shall not enter upon the discharge of the office until the expiration of the term for which the present Mayor was elected; unless the said office of Mayor shall become vacant by death, resignation, removal from the State or other disqualification of the present Mayor.

20. The term of Mayor shall commence on the Tuesday next after the third Monday of May succeeding his election, and continue for four years, and until his successor shall be elected and qualified, and he shall receive a salary of six thousand dollars per annum, payable monthly. He may appoint such persons to aid him in the discharge of his duties as may be prescribed by ordinance.

In pursuance of the power conferred by Article XI-A of the Constitution and by Chapter 555 Acts of 1920, the voters of Baltimore City adopted the following amendment to the City Charter at the November election 1922:

LEGISLATIVE DEPARTMENT.

209. The Legislative Department of the Mayor and City Council of Baltimore shall be vested in the City Council, which shall consist of a single chamber.

210. The City Council shall consist of nineteen members, one of whom shall be the President thereof, and shall possess the qualifications and be elected as hereinafter provided. The other eighteen members shall be elected from the six Councilmanic Districts, three from each district, as hereinafter provided.

The members of the City Council, except the President thereof, shall be citizens of the United States, above the age of twenty-one years, residents of the City of Baltimore three years prior to their election, and for the same time residents of the Councilmanic District for which they are elected, and assessed with property to the amount of three hundred dollars (\$300.00) each, who have paid taxes on the same one year prior to their election, and they shall hold office for four years. Each member of the City Council shall be paid a salary of fifteen hundred dollars (\$1,500.00) per annum, payable monthly.

211. The Election for members of the City Council shall be held on the Tuesday next after the first Monday in May in the year 1923, and upon every fourth year thereafter. Their terms of office shall be for four years. Said election shall be held by Councilmanic Districts and no person shall be entitled to vote for any member of the City Council except for the member for the Councilmanic District of which the voter is a resident. The members of the First Branch and Second Branch of the City Council now in office shall hold office until their successors have been elected under the provisions of this Charter and have duly qualified.

212. There shall be elected on the Tuesday next after the first Monday in May, 1923, and upon every fourth year thereafter, from the City at large, a person to be the President of the City Council who shall possess the qualifications required and hereinbefore defined of the Mayor of the City of Baltimore. His duty shall be to preside over the City Council and vote on all questions and perform such other duties as may be prescribed by ordinances not inconsistent with this Charter. He shall be paid a salary of three thousand dollars (\$3,000.00) per annum payable monthly. The City Council, by two-third vote of all the members elected, may remove from office the President of the City Council for incompetency, willful neglect of duty or misdemeanor in office upon charges preferred by the Mayor, and after notice of such charges is given to the President of the City Council and an opportunity afforded him to be heard.

213. The qualifications of electors of members of the City Council shall be the same as those of electors of the Mayor. All vacancies in the City Council shall be filled without delay by the City Council from the Councilmanic District in which the said vacancy occurs, by an election of a person possessing the qualifications hereinbefore prescribed, to fill the unexpired term of the former incumbent.

214. All powers, rights, duties and privileges heretofore vested in the First and Second Branches of the City Council,

or in either of them, shall be vested in the City Council, as herein constituted. All powers, rights, duties and privileges heretofore vested in the President of the Second Branch of the City Council shall be vested in the President of the City Council as provided for herein. All acts subject to amendment in accordance with Article XI-A of the Constitution, or parts of such acts, and all ordinances or parts of ordinances, and all sections, or parts of sections of this charter, including Section 657B of Article IV of the Code of Public Local Laws of Maryland, inconsistent or in conflict with Sections 209, 210, 211, 212, 213, 214, 215, 216, 217, 221 and 222 as hereby enacted, are hereby repealed and declared null and void.

215. For the purpose of establishing Councilmanic Districts, the Mayor shall appoint, as soon as may be, a Commission consisting of three members, who shall be members of the Board of Supervisors of Election of Baltimore City; the said Commissioners shall serve without pay; one of the said Commissioners shall be the President of said Commission and shall be so designated by the Mayor. In case any one or more persons who are members of the Board of Supervisors of Election shall refuse or be unable to serve, the Mayor shall appoint such other persons not members of the Board of Supervisors of Election as he may deem fit for said office, but not more than two of said Commissioners shall be affiliated with the same political party. The said Commission shall divide and apportion the City of Baltimore into six Councilmanic Districts, as near as may be, of equal population and of contiguous territory, and fix the boundaries thereof. The districts so divided shall be the Councilmanic Districts for the election of members of the City Council. When the said six Councilmanic Districts are so laid out by the said Commissioners as hereinbefore directed, it shall be the duty of the said Commissioners to make or cause to be made in a proper book, a careful description of the boundaries of each of said Councilmanic Districts numbered under its proper number and after making a careful and exact copy of the same in another proper book, and after verifying the said original book and the said copy by their signatures, to deposit the original book in the Clerk's Office of the Superior Court of Baltimore City, and to be recorded by him among the Land Records in his Office, and a copy of the description or descriptions contained in the said record of the boundaries or any one or more Councilmanic Districts therein mentioned and described, shall be evidence of the boundaries of such Councilmanic District or Districts so laid out as aforesaid, and the copy of said original book so made and so verified, as aforesaid, shall be

deposited with the Board of Supervisors of Election of Baltimore City to be retained among the records of the said Board. Said Commissioners shall perform and complete duties herein imposed upon them on or before the 15th day of February, 1923. When said book containing the said descriptions of the said Councilmanic Districts of the City of Baltimore so laid out as aforesaid, has been deposited for record in the Clerk's Office of the Superior Court of Baltimore City, then the said Councilmanic Districts as in said book described and laid out shall thereafter be deemed to be the several Councilmanic Districts of Baltimore City.

216. The City Council shall meet annually on the Thursday next after the third Monday in May and may continue in session for one hundred and twenty days and no longer in each year; provided that they may by ordinance or resolution so arrange their sittings that the same may be held continuously or otherwise, and provided further that the Mayor may convene the City Council in extra session as he may now do by the fourth section of the eleventh article of the State Constitution.

ARTICLE XI-A.*

LOCAL LEGISLATION.

SECTION 1. On demand of the Mayor of Baltimore and City Council of the City of Baltimore, or on petition bearing the signatures of not less than 20 per cent of the registered voters of said city or any county (provided, however, that in any case 10,000 signatures shall be sufficient to complete a petition), the Board of Election Supervisors of said city or county shall provide at the next general or Congressional election, occurring after such demand or the filing of such petition, for the election of a charter board of eleven registered voters of said city or five registered voters in any such counties. Nominations for members for said charter board may be made not less than forty days prior to said election by the Mayor of Baltimore and City Council of the City of Baltimore or the County Commissioners of such county, or not less than twenty days prior to said election by petition bearing the signatures written in their own handwriting (and not by their mark) of not less than 5 per cent of the registered voters of the said City of Baltimore or said county; provided, that in any case two thousand signatures of registered voters shall be sufficient to complete any such

nominating petition, and if not more than eleven registered voters of the City of Baltimore or not more than five registered voters in any such county are so nominated their names shall not be printed on the ballot, but said eleven registered voters in the City of Baltimore or five in such county shall constitute said charter board from and after the date of said election. At said election the ballot shall contain the names of said nominees in alphabetical order without any indication of the source of their nomination, and shall also be so arranged as to permit the voter to vote for or against the creation of said charter board, but the vote cast against said creation shall not be held to bar the voter from expressing his choice among the nominees for said board, and if the majority of the votes cast for and against the creation of said charter board shall be against said creation the election of the members of said charter board shall be void; but if such majority shall be in favor of the creation of said charter board, then and in that event the eleven nominees of the City of Baltimore or five members in the county receiving the largest number of votes shall constitute the charter board, and said charter board, or a majority thereof, shall prepare within six months from the date of said election a charter or form of government for said city or such county and present the same to the Mayor of Baltimore or President of the Board of County Commissioners of such county, who shall publish the same in at least two newspapers of general circulation published in said the City of Baltimore or county within thirty days after it shall be reported to him. Such charter shall be submitted to the voters of said city or county at the next general or Congressional election after the report of said charter to said Mayor of Baltimore or President of the Board of County Commissioners; and if a majority of the votes cast for and against the adoption of said charter shall be in favor of such adoption, the said charter from and after the *thirtieth day* from the date of such election shall become the law of said city or county, subject only to the Constitution and Public General Laws of this State, and any Public Local Laws inconsistent with the provisions of said charter and former charter of said the City of Baltimore or county shall be thereby repealed.

SEC. 2. The General Assembly at its first session after the adoption of this amendment shall, by Public General Law, provide a grant of express powers for such county or counties as may thereafter form a charter under the provisions of this Article. Such express powers granted to the counties and the powers heretofore granted to the City of

Baltimore, as set forth in Article 4, Section 6, Public Local Laws of Maryland, shall not be enlarged or extended by any charter formed under the provisions of this Article, but such powers may be extended, modified, amended or repealed by the General Assembly.

SEC. 3. Every charter so formed shall provide for an elective legislative body in which shall be vested the law-making power of said city or county. Such legislative body in the City of Baltimore shall be known as the City Council of the City of Baltimore, and in any county shall be known as the County Council of the county. The chief executive officer, if any such charter shall provide for the election of such executive officer, or the presiding officer of said legislative body, if such charter shall not provide for the election of a chief executive officer, shall be known in the City of Baltimore as Mayor of Baltimore, and in the county as the President of the County Council of the county, and all references in the Constitution and laws of this State to the Mayor of Baltimore and City Council of the City of Baltimore and to the President and County Commissioners of the counties shall be construed to refer to the Mayor of Baltimore and City Council of the City of Baltimore and to the President and County Council herein provided for, whenever such construction would be reasonable. From and after the adoption of a charter by the City of Baltimore, or any county of this State, as hereinbefore provided, the Mayor of Baltimore and City Council of the City of Baltimore or the County Council of said county, subject to the Constitution and Public General Laws of this State, shall have full power to enact local laws of said city or county, including the power to repeal or amend Local Laws of said city or county enacted by the General Assembly, upon all matters covered by the express powers granted as above provided; provided that nothing herein contained shall be construed to authorize or empower the County Council of any county in this State to enact laws or regulations for any incorporated town, village, or municipality in said county, on any matter covered by the powers granted to said town, village, or municipality by the Act incorporating it, or any subsequent Act or Acts amendatory thereto. Provided, however, that the charters of the various counties shall provide that the County Council of the counties shall not sit more than one month in each year for the purpose of enacting legislation for such counties, and all legislation shall be enacted during the month so designated for that purpose in the charter, and all laws and ordinances so enacted shall be published once a week for three successive weeks in at least

one newspaper published in such counties, so that the taxpayers and citizens may have notice thereof. This provision shall not apply to Baltimore City. All such local laws enacted by the Mayor of Baltimore and City Council of the City of Baltimore or the Council of the Counties, hereinbefore provided, shall be subject to the same rules of interpretation as those now applicable to the Public Local Laws of this State, except that in case of any conflict between said Local Law and any Public General Law now or hereafter enacted, the Public General Law shall control.

SEC. 4. From and after the adoption of a charter under the provisions of this Article by the City of Baltimore or any county of this State, no Public Local Law shall be enacted by the General Assembly for said city or county on any subject covered by the express powers granted as above provided. Any law so drawn as to apply to two or more of the geographical sub-divisions of this State shall not be deemed a Local Law, within the meaning of this Act. The term "geographical sub-division" herein used shall be taken to mean the City of Baltimore or any of the counties of this State.

SEC. 5. Amendments to any charter adopted by the City of Baltimore or by any county of this State under the provisions of this Article may be proposed by a resolution of the Mayor of Baltimore and the City Council of said the City of Baltimore, or the Council of said county, or by a petition signed by not less than 20 per cent of the registered voters of said city or county, provided, however, that in any case 10,000 signatures shall be sufficient to complete a petition, and filed with the Mayor of Baltimore or the President of the County Council, and when so proposed shall be submitted to the voters of said city or county at the next general or Congressional election occurring after the passage of said resolution, or the filing of said petition; and if at said election the majority of the votes cast for and against said amendments shall be in favor thereof, said amendment shall be adopted and become a part of the charter of said city or county from and after the thirtieth day after said election. Said amendments shall be published by said Mayor of Baltimore or President of the County Council once a week for five successive weeks prior to said election in at least one newspaper published in said city or county.

SEC. 6. The power heretofore conferred upon the General Assembly to prescribe the number, compensation, powers and duties of the County Commissioners in each county, and the power to make changes in Sections 1 to 6, inclusive, Article XI of this Constitution, when expressly granted as

hereinbefore provided, are hereby transferred to the voters of each county and the voters of the City of Baltimore, respectively, provided that said powers so transferred shall be exercised only by the adoption or amendment of a charter as hereinbefore provided; and provided further, that this Article shall not be construed to authorize the exercise of any powers in excess of those conferred by the Legislature upon said counties or city as this Article sets forth.

SEC. 7. The word "Petition," as used in this Article, means one or more sheets written or printed or partly written and partly printed; "Signature" means the signature of a registered voter written by himself in his own handwriting (and not by his mark), together with the ward or district and precinct in which he is registered. The authenticity of such signatures and the fact that the persons so signing are registered voters shall be evidenced by the affidavit of one or more registered voters of the city or county in which said voters so signing are registered, and one affidavit may apply to or cover any number of signatures to such petition. The false signing of any name, or the signing of any fictitious name to said petition shall be forgery, and the making of any false affidavit in connection with said petition shall be perjury.

ARTICLE XII.

PUBLIC WORKS.

SECTION 1. The Governor, the Comptroller of the Treasury and the Treasurer shall constitute the Board of Public Works in this State. They shall keep a journal of their proceedings, and shall hold regular sessions in the City of Annapolis on the first Wednesday in January, April, July and October in each year, and oftener if necessary; at which sessions they shall hear and determine such matters as affect the public works of the State, and as the General Assembly may confer upon them the power to decide.

SEC. 2. They shall exercise a diligent and faithful supervision of all public works in which the State may be interested as stockholder or creditor, and shall represent and vote the stock of the State of Maryland in all meetings of the stockholders of the Chesapeake and Ohio Canal; and shall appoint the directors in every railroad and canal company in which the State has the legal power to appoint directors, which said directors shall represent the State in all meetings of the stockholders of the respective companies for which they are appointed or elected. And the president and

directors of the said Chesapeake and Ohio Canal Company shall so regulate the tolls of said company from time to time as to produce the largest amount of revenue, and to avoid the injurious effect to said company of rival competition by other internal improvement companies. They shall require the directors of all said public works to guard the public interest and prevent the establishment of tolls which shall discriminate against the interest of the citizens or products of this State and from time to time, and as often as there shall be any change in the rates of toll on any of the said works, to furnish the said Board of Public Works a schedule of such modified rates of toll, and so adjust them as to promote the agricultural interests of the State; they shall report to the General Assembly at each regular session, and recommend such legislation as they may deem necessary and requisite to promote or protect the interests of the State in the said public works; they shall perform such other duties as may be hereafter prescribed by law, and a majority of them shall be competent to act. The Governor, Comptroller and Treasurer shall receive no additional salary for services rendered by them as members of the Board of Public Works. The provisions of the Act of the General Assembly of Maryland of the year 1867, Chapter 359, are hereby declared null and void.

Sec. 3. The Board of Public Works is hereby authorized, subject to such regulations and conditions as the General Assembly may from time to time prescribe, to sell the State's interest in all works of internal improvement, whether as a stockholder or a creditor, and also the State's interest in any banking corporation, receiving in payment the bonds and registered debt now owing by the State, equal in amount to the price obtained for the State's said interest.*

ARTICLE XIII.

NEW COUNTIES.

SECTION 1. The General Assembly may provide, by law, for organizing new counties, locating and removing county seats and changing county lines; but no new county shall be organized without the consent of the majority of the legal voters residing within the limits proposed to be formed into said new county; and whenever a new county shall be proposed to be formed out of portions of two or more counties, the consent of majority of the legal voters of such part of

each of said counties, respectively, shall be required; nor shall the lines of any county be changed without the consent of a majority of the legal voters residing within the district, which, under said proposed change, would form a part of a county different from that to which it belonged prior to said change; and no new county shall contain less than four hundred square miles, nor less than ten thousand white inhabitants; nor shall any change be made in the limits of any county, whereby the population of said county would be reduced to less than ten thousand white inhabitants, or its territory reduced to less than four hundred square miles.

SEC. 2. At the election to be held for the adoption or rejection of this Constitution, in each election district, in those parts of Worcester and Somerset counties, comprised within the following limits, viz: Beginning at the point where Mason and Dixon's line crosses the channel of Pocomoke river, thence following said line to the channel of the Nanticoke river; thence with the channel of said river to Tangier Sound, or the intersection of Nanticoke and Wicomico rivers; thence up the channel of the Wicomico river to the mouth of Wicomico creek; thence with the channel of said creek and Passerdyke creek to Dashield's or Disharoon's Mills; thence with the mill pond of said mills and branch following the middle prong of said branch, to Meadow Bridge, on the road dividing the counties of Somerset and Worcester, near the southwest corner of farm of William P. Morris; thence due east to the Pocomoke river; thence with the channel of said river to the beginning; the Judges of Election, in each of said districts, shall receive the ballots of each elector, voting at said election, who has resided for six months preceding said election within said limits, for or against a new county; and the return judges of said election districts shall certify the result of such voting, in the manner now prescribed by law, to the Governor, who shall by proclamation make known the same, and if a majority of the legal votes cast within that part of Worcester county, contained within said lines, and also a majority of the legal votes cast within that part of Somerset county, contained within said lines, shall be in favor of a new county, then said parts of Worcester and Somerset counties shall become and constitute a new county, to be called Wicomico county, and Salisbury shall be the county seat. And the inhabitants thereof shall thenceforth have and enjoy all such rights and privileges as are held and enjoyed by the inhabitants of the other counties of this State.

SEC. 3. When said new county shall have been so created, the inhabitants thereof shall cease to have any claim to, or

interest in, the county buildings and other public property of every description belonging to said counties of Somerset and Worcester, respectively, and shall be liable for their proportionate shares of the then existing debts and obligations of the said counties according to the last assessment in said counties, to be ascertained and apportioned by the Circuit Court of Somerset county, as to the debts and obligations of said county, and by the Circuit Court of Worcester county as to the debts and obligations of Worcester county, on the petition of the County Commissioners of the said counties, respectively; and the property in each part of the said counties included in said new county shall be bound only for the share of the debts and obligations of the county from which it shall be separated; and the inhabitants of said new county shall also pay the county taxes levied upon them at the time of the creation of such new county, as if such new county had not been created; and on the application of twelve citizens of the proposed county of Wicomico, the Surveyor of Worcester county shall run and locate the line from Meadow Bridge to the Pocomoke river, previous to the adoption or rejection of this Constitution, and at the expense of said petitioners.

SEC. 4. At the first general election held under this Constitution the qualified voters of said new county shall be entitled to elect a Senator and two Delegates to the General Assembly, and all such county or other officers as this Constitution may authorize, or require to be elected by other counties of the State; a notice of such election shall be given by the Sheriffs of Worcester and Somerset counties in the manner now prescribed by law; and in case said new county shall be established, as aforesaid, then the counties of Somerset and Worcester shall be entitled to elect but two Delegates each to the General Assembly.

SEC. 5. The county of Wicomico, if formed according to the provisions of this Constitution, shall be embraced in the First Judicial Circuit, and the times for holding the courts therein shall be fixed and determined by the General Assembly.

SEC. 6. The General Assembly shall pass all such laws as may be necessary more fully to carry into effect the provisions of this Article.

ARTICLE XIV.

AMENDMENTS TO THE CONSTITUTION.

SECTION 1. The General Assembly may propose amendments to this Constitution; provided, that each amendment

shall be embraced in a separate bill, embodying the Article or Section, as the same will stand when amended and passed by three-fifths of all the members elected to each of the two Houses by yeas and nays, to be entered on the journals with the proposed amendment. The bill or bills proposing amendment or amendments shall be published by order of the Governor, in at least two newspapers in each county, where so many may be published, and where not more than one may be published, then in that newspaper, and in three newspapers published in the City of Baltimore, one of which shall be in the German language, once a week for at least three months preceding the next ensuing general election, at which the proposed amendment or amendments shall be submitted, in a form to be prescribed by the General Assembly, to the qualified voters of the State for adoption or rejection. The votes cast for and against said proposed amendment or amendments, severally, shall be returned to the Governor, in the manner prescribed in other cases, and if it shall appear to the Governor that a majority of the votes cast at said election on said amendment or amendments, severally, were cast in favor thereof, the Governor shall, by his proclamation, declare the said amendment or amendments having received said majority of votes, to have been adopted by the people of Maryland as part of the Constitution thereof, and thenceforth said amendment or amendments shall be part of the said Constitution. When two or more amendments shall be submitted in manner aforesaid, to the voters of this State at the same election, they shall be so submitted as that each amendment shall be voted on separately.

SEC. 2. It shall be the duty of the General Assembly to provide by law for taking, at the general election to be held in the year eighteen hundred and eighty-seven, and every twenty years thereafter, the sense of the people in regard to calling a convention for altering this Constitution; and if a majority of voters at such election or elections shall vote for a convention, the General Assembly, at its next session, shall provide by law for the assembling of such convention, and for the election of Delegates thereto. Each county and Legislative District of the City of Baltimore shall have in such convention a number of Delegates equal to its representation in both Houses at the time at which the convention is called. But any Constitution, or change, or amendment, of the existing Constitution, which may be adopted by such convention shall be submitted to the voters of this State, and shall have no effect unless the same shall have been adopted by a majority of the voters voting thereon.

(b) The provisions of this Article shall be self-executing; provided that additional legislation in furtherance thereof and not in conflict therewith may be enacted.

SEC. 2. No law enacted by the General Assembly shall take effect until the first day of June next after the session at which it may be passed, unless it contain a section declaring such law an emergency law and necessary for the immediate preservation of the public health or safety, and passed upon a yea and nay vote supported by three-fifths of all the members elected to each of the two Houses of the General Assembly; provided, however, that said period of suspension may be extended as provided in Section 3 (b) hereof. If before said first day of June there shall have been filed with the Secretary of the State a petition to refer to a vote of the people any law or part of a law capable of referendum, as in this Article provided, the same shall be referred by the Secretary of State to such vote, and shall not become a law or take effect until thirty days after its approval by a majority of the electors voting thereon at the next ensuing election held throughout the State for Members of the House of Representatives of the United States. An emergency law shall remain in force notwithstanding such petition, but shall stand repealed thirty days after having been rejected by a majority of the qualified electors voting thereon; provided, however, that no measure creating or abolishing any office, or changing the salary, term of duty of any officer, or granting any franchise or special privilege, or creating any vested right or interest, shall be

* Added by Chapter 673, 1914, ratified November 2, 1915.

enacted as an emergency law. No law making any appropriation or maintaining the State Government, or for maintaining or aiding any public institution, not exceeding the next previous appropriation for the same purpose, shall be subject to rejection or repeal under this section. The increase in any such appropriation for maintaining or aiding any public institution shall only take effect as in the case of other laws, and such increase or any part thereof specified in the petition, may be referred to a vote of the people upon petition.

SEC. 3. (a) The referendum petition against an Act or part of an Act passed by the General Assembly, shall be sufficient if signed by ten thousand qualified voters of the State of Maryland, of whom not more than half shall be residents of Baltimore City, or of any one county; provided that any Public Local Law for any one county or the City of Baltimore shall be referred by the Secretary of State only to the people of said county or City of Baltimore, upon a referendum petition of ten per cent of the qualified voters of said county or City of Baltimore as the case may be, calculated upon the whole number of votes cast therein respectively for Governor at the last preceding Gubernatorial election.

(b) If more than one-half, but less than the full number of signatures required to complete any referendum petition against any law passed by the General Assembly, be filed with Secretary of State before the first day of June, the time for the law to take effect, and for filing the remainder of signatures to complete the petition shall be extended to the thirtieth day of the same month, with like effect.

SEC. 4. A petition may consist of several papers, but each paper shall contain the full text of the Act or part of Act petitioned upon; and there shall be attached to each such paper an affidavit of the person procuring the signatures thereon that of the said person's own personal knowledge every signature thereon is genuine and bona fide, and that the signers are registered voters of the State of Maryland, and of the City of Baltimore, or county, as the case may be, as set opposite their names and no other verification shall be required.

SEC. 5. (a) The General Assembly shall provide for furnishing the voters of the State the text of all measures to be voted upon by the people; provided, that until otherwise provided by law the same shall be published in the manner prescribed by Article XIV of the Constitution for the publication of proposed Constitutional Amendments.

(b) All laws referred under the provisions of this Article shall be submitted separately on the ballots to the voters of the people, but if containing more than two hundred words, the full text shall not be printed on the official ballots, but the Secretary of State shall prepare and submit a ballot title of each such measure in such form as to present the purpose of said measure concisely and intelligently. The ballot title may be distinct from the legislative title, but in any case the legislative title shall be sufficient. Upon each of the ballots, following the ballot title or text, as the case may be, of each such measure, there shall be printed the words "For the Referred Law" and "Against the Referred Law," as the case may be. The votes cast for and against any such referred law shall be returned to the Governor in the manner prescribed with respect to proposed amendments to the Constitution under Article XIV of this Constitution, and the Governor shall proclaim the result of the election, and, if it shall appear that the majority of the votes cast on any such measure were cast in favor thereof, the Governor shall, by his proclamation, declare the same having received a majority of the votes to have been adopted by the people of Maryland as a part of the laws of the State, to take effect thirty days after such election, and in like manner and with like effect the Governor shall proclaim the result of the local election as to any Public Local Law which shall have been submitted to the voters of any county or of City of Baltimore.

SEC. 6. No law or Constitutional Amendment, licensing, regulating, prohibiting, or submitting to local option, the manufacture or sale of malt or spirituous liquors, shall be referred or repealed under any Act of the provisions of this Article.

ARTICLE XVII.*

QUADRENNIAL ELECTIONS.

SECTION 1. All State officers elected by qualified voters (except judges of the Circuit Courts of the several circuits, the member of the Court of Appeals from Baltimore City, and members of the Supreme Bench of Baltimore City), and all county officers elected by qualified voters, shall hold office for terms of four years, and until their successors shall qualify.

*Added by Chapter 227, Acts of 1922, and adopted November, 1922.

SEC. 2. Elections by qualified voters for State and county officers shall be held on the Tuesday next after the first Monday of November, in the year nineteen hundred and twenty-six, and on the same day in every fourth year thereafter.

Sec. 3. Members of the House of Delegates and all other State and county officers elected by the qualified voters at the election to be held on the Tuesday next after the first Monday of November, in the year nineteen hundred and twenty-three for terms of office heretofore fixed by law at two years, shall hold office for terms of three years; the Governor, Attorney General, members of the State Senate and all other State and county officers elected by the qualified voters at the election to be held on the Tuesday next after the first Monday in November, in the year nineteen hundred and twenty-three, for terms of office heretofore fixed by law at four years, shall hold office for terms of three years; Registers of Wills, Clerks of Court and all other State and county officers elected by qualified voters at the election to be held on the Tuesday next after the first Monday of November, in the year nineteen hundred and twenty-three, for terms of office heretofore fixed by law at six years, shall hold office for terms of three years; and all such State and county officers elected by qualified voters thereafter shall hold office for terms of four years.

SEC. 4. All officers to be appointed by the Governor under existing provisions of law in the year nineteen hundred and twenty-four for terms of office heretofore fixed by law at two years, shall hold office for terms of three years; all officers so appointed for terms of office heretofore fixed by law at four years, shall hold office for terms of three years; all officers so appointed for terms of office heretofore fixed by law at six years, shall hold office for terms of five years, and thereafter appointments by the Governor shall be for the terms heretofore fixed by law, unless otherwise duly changed by law. All officers appointed by County Commissioners after the election to be held on the Tuesday next after the first Monday in November, nineteen hundred and twenty-three, for terms of office of two, four or six years, shall hold office for terms of three years, and thereafter appointment by the County Commissioners shall be for terms of four years, unless otherwise duly changed by law.

SEC. 5. The terms of all State and county officers heretofore elected by qualified voters, and whose successors would not be elected until the Tuesday next after the first Monday of November, nineteen hundred and twenty-five, shall be increased by one year, and their successors shall be elected for

the regular term at the election to be held on the Tuesday next after the first Monday of November, nineteen hundred and twenty-six. The terms of all State and county officers heretofore elected by qualified voters, and whose successors would not be elected until the Tuesday next after the first Monday of November, nineteen hundred and twenty-seven, shall remain unchanged; their successors shall be elected for a term of three years at the elections to be held on the Tuesday next after the first Monday of November, nineteen hundred and twenty-six, but shall not take office until the expiration of the full term for which their predecessors have been elected; and their successors shall be elected for the regular term at the election to be held on the Tuesday next after the first Monday of November, nineteen hundred and thirty. Nothing herein shall affect the terms of any judge of the Circuit Court of the several circuits, the member of the Court of Appeals from Baltimore City or any member of the Supreme Bench of Baltimore City; if the term of any such judge shall expire in a year in which no election for members of the General Assembly is held, the Governor shall appoint a person duly qualified to fill said office, who shall hold the same until the next general election for members of the General Assembly, when a successor shall be elected for the term elsewhere provided. The terms of all State and county officers heretofore appointed for terms which will not expire until during the year nineteen hundred and twenty-five, nineteen hundred and twenty-six, nineteen hundred and twenty-seven or nineteen hundred and twenty-eight shall be reduced by one year, and their successors shall be appointed for the terms now provided by law in the years nineteen hundred and twenty-four, nineteen hundred and twenty-five, nineteen hundred and twenty-six or nineteen hundred and twenty-seven, respectively. In the event that the term of any officer appointed by the Governor with the advice and consent of the Senate shall expire in the year nineteen hundred and twenty-five or twenty-six, the Governor shall have power to appoint a successor, who shall serve for the full term subject to confirmation by the Senate at the regular session to be held under this Article in the year nineteen hundred and twenty-seven.

SEC. 6. The General Assembly shall meet on the first Wednesday of January, nineteen hundred and twenty-four, for a regular session, and shall not meet again for a regular session until the first Wednesday of January, nineteen hundred and twenty-seven, and the General Assembly shall meet on the same day in every second year thereafter and at no other time, unless convened by proclamation of the Governor.

SEC. 7. The term of the Treasurer elected by the General Assembly at the regular session of nineteen hundred and twenty-four shall be three years. Thereafter the term shall be the same as elsewhere provided.

SEC. 8. The terms of the members of the Board of Supervisors of Elections of Baltimore City and of the several counties shall commence on the first Monday of June next ensuing their appointment.

SEC. 9. The vote to be held under the provisions of Section 2 of Article XIV of the Constitution for the purpose of taking the sense of the people in regard to calling a Constitutional Convention shall be held at the general election in the year nineteen hundred and thirty, and every twenty years thereafter.

SEC. 10. The Governor shall submit three budgets to the General Assembly at the regular session of nineteen hundred and twenty-four, in accordance with the provisions of Section 52 of Article III of the Constitution, for the three fiscal years beginning October first, nineteen hundred and twenty-four, and ending September thirtieth, nineteen hundred and twenty-seven, and two budgets to the general Assembly at the regular session of nineteen hundred and twenty-seven, and thereafter as now provided by said section.

SEC. 11. The purpose of this Article is to reduce the number of elections, by providing that all State and county elections shall be held only in every fourth year, and at the time now provided by law for holding congressional elections; and to bring the terms of appointive officers into harmony with the changes affected in the time of the beginning of the terms of elective officers; and the administrative and judicial officers of the State shall construe the provisions of this Article so as to effectuate that purpose. For the purpose of this Article only the word "officers" shall be construed to include those holding positions and other places of employment in the State and county governments whose terms are fixed by law, but it shall not include any appointments made by the Board of Public Works, nor appointments by the Governor for terms of three years.

SEC. 12. The General Assembly, at the regular session in the year nineteen hundred and twenty-four, shall make such changes in the primary and general election laws, and otherwise, as may be necessary to carry out the provisions of this Article. There shall be no election for State or county officers in the year nineteen hundred and twenty-five.

SEC. 13. In the event of any inconsistency between the provisions of this Article and any of the other provisions of the Constitution, the provisions of this Article shall prevail, and all other provisions shall be repealed or abrogated to the extent of such inconsistency.
